Chairman

- 42nd Year with Bills

RALPH C. WILSON, JR.

"The conscience of the NFL" is the terminology more than one publication has used in recent years to aptly describe Bills Owner Ralph C. Wilson, Jr. That phrase also serves as a glowing tribute to one respected for speaking his mind, always in behalf of the sport and Wilson has enjoyed this reputation since coming into football more than four decades ago.

As the undeniable leader of the Bills, Wilson heads into his 42nd season with the the winningest AFC team in the 1990's. He has seen many changes to the sport of football, the league and his franchise. But for all of the changes, some things remain indelibly intact, such as his commitment to leading the Bills to a Super Bowl title.

No year was as critical to keeping the club in the area in which he originated it than 1998 when the team and the community relied heavily on Wilson's leadership, guidance and expertise in reaching its 11 million dollar goal to release state funds for stadium improvements to benefit the fans. While some franchises have sought lucrative deals in new locations or bargained for new elaborate stadiums, Wilson was able to mastermind a plan to keep the Bills in Western New York and completely renovate the existing stadium at a fraction of the cost to become one of the finest outdoor venues in the NFL. He was able to accomplish all of this, and at the same time, keep a championship-caliber team on the field. In fact, of the original eight AFL owners, only Ralph Wilson has kept his team in its originating city.

This point was one of the more obvious reasons for the Buffalo News selecting Wilson as the"Top Sports Figure" in Western New York in the past millennium.

For 42 years Wilson has led by example and kept the Buffalo Bills on a course for success while serving as an inspiration to his team, colleagues and, at times, opponents.

Wilson was the man responsible for reintroducing football to Western New York when, as one of the original owners in the American Football League, he formed the Buffalo Bills in 1960. Wilson continues to play a major role among NFL franchise owners by addressing some of the NFL's toughest obstacles as "the voice of reason," as one sportswriter has so accurately penned him.

Wilson was honored in 1999 by the Touchdown Club of New Orleans with the Pete Rozelle Award for outstanding contributions to the NFL and professional football. He was previously honored in April 1998 with one of the league's most prestigious awards, the NFL Alumni Association's "Order of the Leather Helmet." Membership in the order is reserved for those individuals making deep and lasting contributions to the game of professional football and the award was bestowed upon the Bills' owner in recognition of his outstanding contributions over the past four decades to the sport he loves so dearly . Additionally, Wilson was honored in 1996 with the Hubert H. Humphrey Award for humanitarian endeavor by the Touchdown Club of Washington, D.C. Mr. Wilson was a recipient of the Touchdown Club's "Timmie" Award for Outstanding Service to Professional Football the previous year.

For Wilson, football has been important since he was a young man and accompanied his father to University of Detroit and Detroit Lions games. "I was a big fan in the early part of my teens," he recalls. "I could see the interest developing in professional football in the days of Leon Hart, Bobby Layne and Doak Walker."

His enthusiasm for the intense sport led him to purchase a minority share in the NFL Detroit Lions and later join ranks with Lamar Hunt and the other six members of "The Foolish Club" in an ambitious, but risky venture known as the American Football League.

Of his early days in the AFL, Wilson says he "never thought about throwing in the towel, selling the team...there were times when I reminded myself that I used to pay five dollars for a ticket to the Lions' games and I enjoyed myself and had no headaches. I would ask myself what I was doing here."

WILSON, *continued*

In the beginning there was considerable skepticism regarding the AFL by members of the NFL and the media. "The Foolish Club" persevered however and, following initial talks in January of 1965 between Wilson and the late Carroll Rosenbloom, then owner of the Baltimore Colts, a merger with the long established National Football League was initiated.

As President of the AFL in 1965, he served on the Expansion Committee of that League and the AFL-NFL Negotiations Committee. He was also prominent in the negotiations which resulted in a 1977 agreement between the NFL Management Council and the NFL Players Association. In the past, he has served as Chairman of the NFL Pension Committee and was a member of the Labor Committee. He currently serves on the Board of NFL Charities, the Super Bowl Policy Committee, the Realignment Working Group and is actively engaged in league governance issues.

Over his 42 years as owner of the Bills, he has watched with great pride as two of his teams captured the American Football League Championship (1964-65) and more recent squads won American Football Conference titles in 1990, 1991, 1992 and 1993 on their way to an unprecedented four consecutive appearances in Super Bowls XXV-XXVIII.

Thirty-six of his players over this span have been Pro Bowl selections, including two who were voted the Pro Bowl's highest honor, Most Valuable Player.

An active supporter of community affairs in the Western New York area, Wilson has quietly donated over $125,000 to the food banks in Buffalo and Rochester during the holidays the last two years. He is also largely responsible for the Bills' strong relationships with Children's Hospital of Buffalo, The Ronald McDonald House and The United Way. In 1987 he established the Bills' Alumni Association and the Buffalo Bills Youth Foundation to benefit many charities in the Western New York region. Additionally, Wilson established a perpetual scholarship program at Canisius College for student athletes, beginning in 1995.

In a continuation of his interest and involvement in education, the Ralph C. Wilson Endowed Jefferson Scholarship Fund is in the process of being established by Wilson at his alma mater, the University of Virginia, to benefit students from Western New York and his hometown of Detroit, MI. In the spring of 2000, the Ralph C. Wilson, Jr. Educational Development Program Book Award fund, devoted to book scholarships at SUNY-Fredonia was started and the Ralph C. Wilson, Jr. Academic Scholarship at Erie Community College was established a few years ago. He is also a strong contributor to the Erie County Sheriff's Department as well as numerous "grass roots" charities in Western New York, such as the Meals on Wheels program.

The Bills' Chairman is also a major player on the national charitable scene through his many endeavors. He is a strong supporter of Hospice through fund raising and memorial gifts. He is a major contributor to the Mayo Foundation for Medical Education and Research as well as the Cleveland Clinic Foundation and, locally has made significant contributions to cancer research with annual grants from the Ralph C. Wilson, Sr. and Ralph C. Wilson, Jr. Medical Research Foundation to Roswell Park Cancer Institute. Though Wilson maintains a low profile in most of his charitable endeavors, one such effort for which he received a great deal of notoriety was his one million dollar gift to the Miami Project to Cure Paralysis.

Closer to the team, Wilson has been an active contributor to such charities as the Doug Flutie, Jr. Foundation for Autism, Hunter's Hope, the Stephanie Spielman Breast Cancer Research Fund and the Bob Chandler Foundation.

COLLEGE/PERSONAL: Born in Columbus, Ohio, Ralph Wilson moved to Detroit with his family when he was a youngster. He graduated from the University of Virginia and later attended law school at the University of Michigan, before enlisting in the Navy during World War II. He earned his commission within a year and served aboard minesweepers in both the Atlantic and Pacific theaters.

In addition to his active role as Chairman of the Bills, Wilson is Chairman of the Detroit-based Ralph C. Wilson, Jr. Enterprises, a diversified management and investment company with interests ranging from highway construction to the venture capital industry.

He maintains a permanent residence in Grosse Pointe Shores, Michigan with his wife, Mary. He has three daughters, two of whom are involved in team business. Linda Bogdan, the NFL's first woman scout, is the franchise's Corporate Vice President, while another daughter, Christy Wilson Hofmann, serves as a consultant in the area of merchandising.

HOBBIES/INTERESTS: He is an avid tennis player and fan of the game and enjoys competing in the international veterans tournaments held each summer in Europe, as well as a sponsor of several U.S.T.A. tournaments in the U.S. and abroad.

COACHES

Head Coach
• 12th NFL season, 1st with Bills

GREGG WILLIAMS

On February 1, 2001, the Buffalo Bills announced the hiring of Gregg Williams as the 12th head coach in franchise history.

When he introduced Williams that day, Bills President/General Manager Tom Donahoe called him the best head coaching candidate that he had ever interviewed. That's extremely high praise considering that Donahoe had previously in his career interviewed future NFL head coaches Bill Cowher, Dennis Green, Kevin Gilbride, Mike Holmgren, Bobby Ross, and Dave Wannstedt. Said Donahoe of Williams, "His strengths are in the areas of leadership, knowledge of the game of football, organizational skills, and people skills…I think he's going to be a fantastic head coach in the National Football League."

Since taking over the reins as head coach, Williams has wasted no time in putting his stamp on the organization. One of the first tangible signs of the team's new attitude was evident this past offseason when nearly 100% of the squad stayed in town to participate in the club's voluntary offseason conditioning program. If a team assumes the identity of its head coach, then observers can expect that intensity, preparedness, discipline, accountability and success will be the hallmarks of the Williams-led Bills.

The 42-year-old Williams (7/15/58) came to the Bills after 11 seasons with the Tennessee organization, including the last four as the Titans' defensive coordinator. Williams worked his way up from quality control coach in 1990 to defensive coordinator in 1997. Under his leadership in 2000, the Titans defensive unit led the league in total defense for the first time since joining the NFL and the 191 points allowed were the third fewest in the NFL since the league adopted a 16-game schedule in 1978. The Tennessee defense also led the league in third-down efficiency (30.8%), fourth-down efficiency (8.3%) and fewest first downs allowed (215).

In 2000, under Williams' guidance, the team also established the franchise's single-season records for sacks (55), fewest passing yards allowed (2,424), and fewest offensive touchdowns allowed (17). The Titans also rank first in the AFC and second in the NFL over the past two seasons in sacks with 109 combined. Tennessee was the only team in the NFL to place in the top seven in both run (3) and pass defense (1); and over the last 37 games, the Titans' run defense only allowed three 100-yard rushers. Two seasons ago, the Titans' defense also led the NFL in the big play stat of combined sacks and turnovers with an impressive 94.

WILLIAMS, *continued*

Before taking over as defensive coordinator, Williams spent three seasons (1994-96) overseeing the Oilers' linebackers after spending the 1993 campaign as the team's special teams coach. In 1993, Williams' special teams unit had the top-rated punting game and rated sixth in kickoff return defense. From 1990-92, Williams served as the club's first quality control coordinator. In addition, Williams had previously assisted in the coaching of the Oilers' defensive backs, assisted the "scout" teams for practice sessions and helped the defensive coaching staff on game day.

Prior to joining the Oilers, Williams spent the 1988-89 seasons working with the linebackers as a graduate assistant at the University of Houston for former Oilers head coach Jack Pardee. From 1984-87, Williams was the head coach at Belton (MO) High School after spending the 1980-83 campaigns as an assistant coach at his hometown of Excelsior Springs (MO) High School.

A native of Excelsior Springs, MO, Williams was a quarterback and also played baseball at Northeast Missouri State where he received his B.S. degree. He later earned his master's in education from Central Missouri State. Gregg and his wife, Leigh Ann, have a daughter, Amy (11) and two sons, Blake (16) and Chase (9).

BILLY BUFFALO A HIT IN 2000

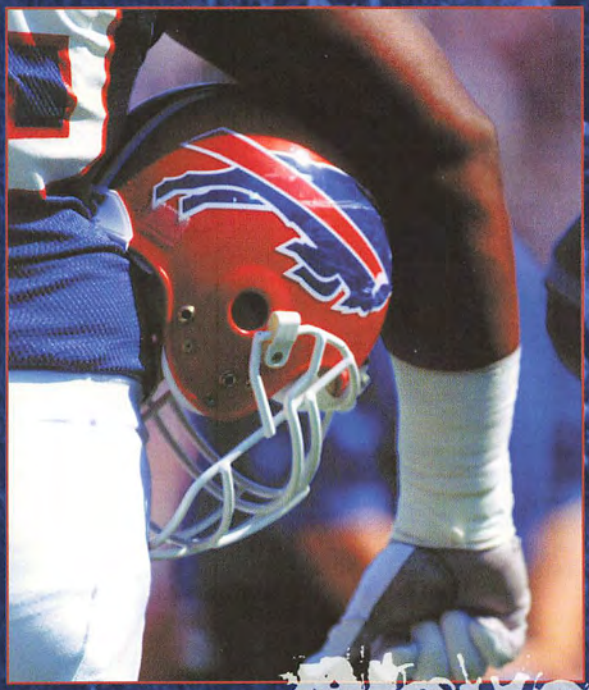

Among those who enjoyed successful rookie seasons for the Bills in 2000 was Billy Buffalo, the team's new mascot.

Billy Buffalo, who was unveiled at the 2000 regular-season opener vs. Tennessee, stands over 8 feet tall and weighs in at over 250 pounds. The costume for Billy Buffalo was designed and created by Florida based Victory Promotions, which has several years of mascot experience including work on Major League Baseball's, "Billy the Marlin", minor league baseball's "Hugh Manatee" and corporate mascot "Star" of Blockbuster Video.

Leading the project for Victory was Buffalo native Ralph Kent, a character artist who spent 22 years working for Walt Disney and who now lives in Orlando, Florida.

Billy is available for community and charity events. For more information, please call 716-648-1800.

(10/26); it marked the second-longest FG in club history... scored points in first five contests of the year to extend his streak of consecutive games with at least a point to 60 before going scoreless at NE (10/12)...with a first quarter PAT vs. NYJ (11/30), became just the 43rd NFL player ever to surpass 800 career points...finished seven points shy of topping 100 points for his sixth consecutive season.

(12/17)...his 48-yard FG in Wild Card vs. Miami was the second longest in team post-season history (12/30)...his 52-yard FG attempt in the first quarter of Divisional Playoff at Pittsburgh (1/6) fell short, snapping his consecutive postseason FG streak at nine.

CHRISTIE IN THE CLUTCH

In his career, Steve Christie has won games with a field goal in the final minute of regulation or in overtime a total of 13 times and on 9 of those occasions, his kick has been the game's final play (or a "walk-off" FG).

His OT game-winner at New England (11/5/00) was the seventh of his career, putting Steve behind only Jim Breech (9) for the NFL's all-time OT field goal record. Just behind them with six are Kevin Butler, Norm Johnson, and Pete Stoyanovich.

Adding to the impressiveness of those accomplishments is the fact that of his seven career FGs in OT, he sent the game into the extra period with a kick in the last 15 seconds of regulation on four of those occasions. Twice in 2000, he pulled off that "double-clutch" feat.

Further evidence that he is the most clutch kicker in the NFL: **in 11 career seasons, he is 20-23 on game-tying or go-ahead field goal attempts after the 2:00 warning of the fourth quarter.**

Here is a list of Christie's 13 game-winning field goals in the final minute of regulation or in OT:

Date	Opponent	Final Score	Distance	Time Remaining

McDANIEL'S EMERGENCE

Anonymous to most at the start of the season, first-year wide receiver **Jeremy McDaniel** certainly made a name for himself in 2000.

McDaniel spent the majority of the 1999 season on the Bills practice squad and had not yet caught an NFL pass when he began the 2000 season as the team's #3 WR behind Eric Moulds and Peerless Price.

At season's end, he had totaled 43 receptions for 697 yards to rank third on the team in each category and added a pair of TD receptions. His 74-yard TD from Rob Johnson in game three at NYJ went down as the Bills' longest play of the year.

His 16.2 yards-per-catch average ranked him third among all AFC receivers with over 40 receptions.

FAST START FOR MORRIS

The play of rookie RB **Sammy Morris** was certainly a pleasant surprise for the Bills in 2000. After playing just 17 games between 1996-99 at Texas Tech, Morris was selected by the Bills in the fifth round (156th overall) of the 2000 draft.

As a rookie, he appeared in 12 games and started 8 for the Bills. In that time, he rushed 93 times for 341 yards (3.7 average) and scored five TDs on the ground. He also caught 37 passes for 268 yards and one TD reception. With six total TDs (5 rushing/1 receiving) he found the end zone more than any other Bills player in 2000.

In one stretch, Morris scored rushing TDs in four consecutive games until suffering a thigh bruise at New England (11/5). That was just one shy of the club's record for most consecutive games with a rushing TD by a rookie (Joe Cribbs, 1980). Four consecutive games also approached the team record for by a rookie or non-rookie

WIDE RECEIVER

ERIC MOULDS

BILLS: One of the premier wide receivers in the NFL...an unrestricted free agent after the 2000 season but re-signed with the Bills on 2/16/01...the Bills first-round selection in the 1996 Draft (24th overall)...joined the ranks of the NFL's elite with a phenomenal 1998 campaign and another in '99...was selected to the Pro Bowl for the first time in '98 after setting a franchise single-season record and leading the AFC (#2 NFL) with 1,368 yards...set an NFL postseason record with 240 receiving yards in January '99 Wild Card game at Miami...though unlikely to see much KOR duty anymore, is just 6 returns shy of the club mark for career KORs (Keith Moody, 1976-79) and needs only 43 return yards to eclipse Moody's career KOR yardage mark of 2,168...already holds club's single-season record for most KOR yardage (1,205 in '96).

2000: Was selected as a starter in the 2000 Pro Bowl, his second appearance in Hawaii in three years...established a club record with his 94 receptions last season...his 1,326 yards is the second-highest total in team history, trailing only his own mark of 1,368 set in 1998...finished fourth in the AFC in both receptions and yardage...he posted seven 100-yard games in 2000...caught only two passes in the season opener vs. Ten. (9/3) but made the play of the game when he caught a three-yard pass with less than a minute remaining and took off for 33 more to set up the game-winning field goal...posted his first 100-yard outing of the year in week two vs. GB (9/10) when he caught seven passes for 103 yards...caught his first touchdown of the year in week three at NYJ (9/17)...caught nine passes for 112 yards vs. Indy (10/1), including a 40-yard touchdown pass late in the 4th quarter which would have been the game-winner except for a Colts FG as time expired...tied a team record in games six through eight as he notched three consecutive 100-yard games; the first came vs. SD (10/16) when he caught 11 passes for 170 yards; the second came the following week at Min. (10/17) as he set an individual high with 12 receptions for 135 yards; caught his third TD of the season against the Vikings; the third consecutive 100-yard outing came vs. NYJ (10/22) when his finished with 137 yards...caught eight passes for 102 yards and a TD at TB (11/26)...his seventh 100-yard outing, 101 yds. at Sea. (12/23), was memorable because both he and teammate Peerless Price topped the 100-yard plateau, marking just the 12th time that the Bills have had two receivers in the same game and the first since 9/27/92 (Andre Reed and James Lofton); that game also marked just the 6th time in team history that the Bills had a 100-yard rusher, 100-yard receiver and a 300-yard passer in the same game.

1999: Followed up his breakout campaign of '98 with another great year in '99...led team with 65 catches for 994 yards and 7 TDs despite missing two games at midseason with a hamstring injury...tied a club record by catching a TD pass in five straight games (Elbert Dubenion, 1964)...began year by setting a career-high with 10 receptions at Ind. (9/12) for 147 yards, including a long of 44...caught three passes for 38 yards vs. NYJ (9/19); all three receptions against the Jets came on 3rd down and each produced 1st downs for the Bills...added three receptions for 37 yards in win over Eagles (9/26); also had one rushing attempt on a reverse which picked up only one yard...returned to the site of his NFL record 240

MOULDS IN 2000

In 2000, Eric Moulds not only had a season worthy of his second career Pro Bowl selection but it will go down as one of the best ever by a Bills receiver.

Eric started alongside Indy's Marvin Harrison on the AFC squad. Moulds was also selected to play in the Pro Bowl following the '98 season and he joins Andre Reed (7) as the only wide receivers in team history to earn multiple Pro Bowl selections.

In 2000, Moulds led all Bills receivers with 94 catches for 1,326 yards and five touchdowns. His 94 catches set a new career-high and broke the Bills single-season record (Andre Reed, 1994). It also tied for fourth in the AFC. His 1,326 yards were the second-most by any Bill in a single-season and ranked behind only his 1,326 in 1998.

In November at Kansas City, he went over 1,000 receiving yards for the season. It marked the 11th 1,000 yard campaign in team history and the second for Moulds. He joined Andre Reed (4) and Frank Lewis (2) as the only Bills receivers with multiple 1,000-yard seasons. By reaching 1,000 in his 11th game of the season, he became the fastest Bills player ever to reach the mark (four times it was accomplished in 12 games).

Also, with his first catch against the Dolphins on 12/3, Moulds recorded his 45th consecutive game with a reception to extend his franchise record in that category. At season's end, the record stretched to 49 games.

receiving yards in '98 playoff loss to the Dolphins on Monday night (10/4); finished the game with four receptions, including his first touchdown of the year (12th overall)...dominated the secondary vs. Pit. (11/7) and promptly led the team with five catches for 61 yards and a TD; TD grab gave him one in his fourth straight game...tied the team record with a TD grab in five straight games when he caught his only pass for a 53-yard TD reception in the third quarter vs. Mia. (11/14)...had game high honors at NYJ (11/21) with 8 catches for 77 yards...caught one pass for 54 yards and a touchdown vs. NE (11/28)...first play from scrimmage vs. NYG (12/12) caught a 36-yard pass from Flutie; finished the game with 3 catches for 55 yards...just missed his second consecutive 1,000 yard season as he finished with 994 after grabbing 8 receptions for 110 yards vs. Ind. (1/2)...caught three passes and tied teammate Peerless Price with a game-high 62 yards receiving in Wild Card contest at Ten. (1/8).

1998: To call it a breakthrough year would be an understatement...after recording 49 receptions for 573 yards and 2 TDs in his first two seasons combined, he exploded for 67 catches and a Bills single-season record 1,368 yards and 9 TDs...eclipsed the franchise's single-season record for receiving yards (Andre Reed, 1,312 in 1989); led the AFC and finished 2nd in the NFL (GB's Antonio Freeman, 1,424)...became only the 4th Bill ever to lead the AFC in receiving yardage...recorded just the 10th 1,000-receiving yard season in team history (accomplished by only 6 players)...finished 2nd in the NFL with a 20.4 yards per catch average (NE's Shawn Jefferson, 22.7)...the average length of his 9 TDs was 48.9 yards; had 4 TDs of 60 yards or more (66, 70, 82, 84)...led the NFL with 22 catches of 20 yards or longer; the next closest were Balt.'s Derrick Alexander and Min.'s Randy Moss with 20 each...of his 67 receptions, 54 (80.6%) led to first downs; among all NFL receivers with at least 50 catches, only Atl.'s Tony Martin (84.8%) and Terrance Mathis (84.4%) had higher first-down ratios...played in all 16 games and started 15; only non-start was season finale at New Orleans when team opened up in a 3-TE short-yardage set...in addition to earning his first Pro Bowl trip, was also selected to USA Today's All-Pro Team, earned second-team All-Pro honors

WIDE RECEIVER DRAFT CLASS OF 1996 - THE LAST THREE YEARS

The 1996 NFL Draft was rich in talent at the wide receiver position. Including #1 overall pick Keyshawn Johnson, five wide receivers were selected in the first round.

The last of those five was Eric Moulds, whom the Bills selected with the 24th overall pick. Five years later, Moulds has been one of the brightest stars of the class.

Here's how Moulds has compared with the other WRs taken in the first round that year based on the last three seasons:

GIVING THANKS

Last November, ERIC MOULDS and his teammates participated in a very special and unique undertaking when they visited needy area families as part of the organization's Thanksgiving Food Drive. The endeavor was a partnership between the Bills, Wegmans Food Stores, and United Parcel Service.

Moulds and many other members of the squad put together the care packages of groceries and loaded them on UPS trucks where drivers took them around for delivery to hundreds of local families. The groceries were purchased from contributions made by Bills players. Bills owner Ralph Wilson matched the team's donations and Wegmans matched that amount in food donations.

HELLO, NEWMAN

Few knew what to expect from Keith Newman when he took over the starting strong outside linebacker position at the start of the season.

Drafted in fourth round of the 1999 Draft, Newman was deactivated for 13 of 16 regular season games as a rookie and didn't see any action on defense until the regular season finale of 1999.

In 2000, however, the newcomer made quite an impact. He started all 16 games for the Bills defense that finished 2000 ranked third overall in the league.

His 96 tackles ranked fifth on the team and he finished with 8.0 sacks, just 2.5 behind team-leader Marcellus Wiley.

Game 1

BILLS 16, TITANS 13

September 3, 2000
Ralph Wilson Stadium - (72,492)

The Bills scored a gritty season opening victory and avenged the previous season's Wild Card loss at Tennessee with a dramatic three-point win over the defending AFC champions before a sell-out crowd and a national Sunday night audience. The Buffalo defense that finished 1999 as the NFL's best was once again thoroughly dominant, holding the Titans offense to 172 total yards (just 49 in second half) and allowed Pro Bowl back Eddie George just 37 yards on 17 carries. The game was a hard-fought defensive battle by both teams and was filled with big stops and bruising hits by both teams.

After a scoreless first quarter, Buffalo got on the board first when Rob Johnson and Peerless Price connected on a 15-yard TD early in the second quarter. Tennessee converted a pair of Al DelGreco field goals on its last two drives of the half to pull within one at intermission.

Buffalo's defense continued its dominant play in the second half, sending the Titans three-and-out on their first four possessions while kicker Steve Christie added a pair of FGs to increase the Buffalo lead to 13-6. With about 11:00 to play, the Titans went for it on 4th-and-1 at the Buffalo nine but safety Henry Jones broke up Steve McNair's pass in the end zone.

Midway through the fourth, though, the Titans tied it with a 2-yard George scoring run that was set-up by a 41-yard pass interference call. On Buffalo's last offensive play before the Tennessee scoring drive, Johnson injured his lower leg on a sack and when the Bills offense returned, it was with back-up Alex Van Pelt at QB. Though Buffalo's first two series with Van Pelt failed to produce points, the defense again countered by sending the Titans three-and-out on consecutive drives. With 1:01 to play, the Bills took over at their own 44 and on 2nd-and-10, Van Pelt hit Eric Moulds with a three-yard pass that the star receiver turned into a 36-yard gain to the Titan 20, setting up Christie's 33-yard game-winner with :31 left. A 52-yard kickoff return by Derrick Mason set the Titans up at midfield with :23 left but the Bills defense again met the challenge when it stopped George in bounds at the Bills 42 on the first down play. After stopping the clock with a spike, Tennessee tried a 60-yard FG on the game's final play but Craig Hentrich's attempt was wide left.

Game 2

BILLS 27, PACKERS 18

September 10, 2000
Ralph Wilson Stadium - (77,722)

The Bills moved to 2-0 for the first time since 1996 with a nine point win over the visiting Packers. The Bills defense was again dominant, holding the Pack to 40 rushing yards and just 1 first down on the ground. The offense, led by QB Rob Johnson's 259 passing yards and three TDs, was also impressive in rolling up over 300 total net yards. Also getting untracked was WR Eric Moulds who had 7 catches for 103 yards.

Neither team mounted much offense early on when the Bills were hampered by poor field position. However, late in the second, Johnson led a 6-play, 54-yard drive that he capped with a 6-yard TD pass to WR Jeremy McDaniel 44 seconds before halftime. The Packers quickly marched to the Bills 33 with :21 left before DE Marcellus Wiley sacked Brett Favre, forcing a fumble that Phil Hansen scooped up and returned 28 yards to the Pack 27. On the final play of the half, Steve Christie hit a 45-yard FG to put the Bills up 10-0.

The Bills increased the lead to 17-0 on their first drive of the 2nd half on a 6-yard Johnson-to-Jay Riemersma TD. The Pack came right back with an 80-yard TD drive that trimmed the Bills lead to 10 but a fumbled punt return by Green Bay set the Bills up for another Christie FG a short time later. A Johnson INT set the Pack up at the Bills 13 but the defense forced the visitors to settle for a FG. The Bills then extended the lead to 17 early in the 4th when Johnson threw his 3rd TD of the game and his 2nd to Riemersma - this one from 14 yards. Another Packer threat was thwarted with 2:30 to play when Daryl Porter forced a fumble near midfield that Henry Jones recovered at the Bills 44. A Green Bay TD and 2-point conversion in the final minute pulled the Pack closer but Jones essentially ended the game when he fielded the onside kick.

With an interception in the third quarter, Rob Johnson ended his streak of attempts without an INT at 122, the fourth longest in team history. The top spot belongs to Jim Kelly who threw 172 straight passes without an INT during the 1995 season.

Game 3

JETS 27, BILLS 14

September 17, 2000
Giants Stadium - (77,884)

The Bills faced their first road challenge of 2000 and came away with their first loss. Despite outplaying the Jets for the most part and holding the edge statistically, the Bills were done in by several of their own mistakes and a handful of big plays by the Jets. Among the miscues were four fourth quarter turnovers, a kickoff return for a TD, and a Hail Mary TD pass on the last play of the first half.

The Bills opened the game by marching 80-yards on their first series and capped it with a 3-yard pass from Rob Johnson to Eric Moulds. On the drive, TE Jay Riemersma caught 3 passes for 48 yards but also suffered a knee injury that forced him out of the game.

Following the Bills TD, NYJ's Kevin Williams returned the kickoff 97 yards for the game-tying score. Early in the 2nd quarter, the Jets took over at the Bills 36 following a punt and 9 plays later, Curtis Martin rushed 5 yards for a TD on 4th-and-1 to put the Jets up 14-7. Late in the half, the Bills faced a 3rd-and-5 at their own 26 when Johnson connected with Jeremy McDaniel on a 74-yard TD to tie the game at 14 with 1:07 left before intermission. The Jets got the ball back and advanced to the Bills 45 with :04 left. With one more play, Vinny Testaverde launched a desperation toss into the end zone that was pulled down by defensive back turned receiver Marcus Coleman.

On the first series of the 2nd half, the Bills advanced to the NYJ 24 only to end the drive on a blocked FG try. The Jets then increased the lead to 10 with a 51-yard John Hall FG. Down by 10 early in the 4th, Peerless Price took a reception to the NYJ 13 but fumbled at the end turning it back to the Jets.

The Bills comeback hopes the rest of the way were seriously hampered by a pair of fumbles on punt returns. A 27-yard Hall FG put the Jets up 13 with 1:56 to play and the Bills fate was sealed for good when Johnson was intercepted on the game's penultimate play. The loss snapped Buffalo's regular season win streak at five, dating back to 1999.

Game 4

COLTS 18, BILLS 16

October 1, 2000
Ralph Wilson Stadium - (72,617)

The Bills endured back-to-back defeats for the first time since the start of the '98 season when they suffered a gut-wrenching home loss to the Colts. Indy kicker Mike Vanderjagt nailed a 45-yard FG as time expired to give the Colts the two-point victory after the Bills appeared ready to claim a dramatic comeback victory of their own.

With 2:05 to play and down by six, the Bills got the ball at their own 20 and marched 80 yards in six plays and 57 seconds. They capped the drive when Rob Johnson hit Eric Moulds on a 40-yard TD pass with 1:08 to play. That proved to be enough time for the Colts, who following the kickoff took over at their own 31 with 1:03 remaining. In seven plays, they advanced to the Bills 27 to set-up the Vanderjagt game-winner.

For most of the game, it was the Bills who moved up and down the field with ease, and their first three drives penetrated deep into Indy territory and ended with short Steve Christie FGs. Indy pulled to within 9-7 late in the second quarter when Peyton Manning and Marvin Harrison connected on a 14-yard TD pass to cap a 77-yard drive.

Following a scoreless third quarter, Manning connected with Terrence Wilkins on 10-yard TD pass early in the fourth that put the Colts up 15-9. That score held until late in the game when each team mounted separate and successful scoring drives after the 2:00 warning.

Statistically, the Bills finished ahead of the Colts in almost every category - 385 total yards to 265, 170 rushing yards to 81, 21 first downs to 14 and had a time of possession edge of 35:59 to 24:01.

The defeat snapped Buffalo's six-game home win streak in the series vs. the Colts. Defensively, the Bills held the opponent under 300 yards of total offense for the seventh straight game, the longest such streak in team history.

Game 5

DOLPHINS 22, BILLS 13

October 8, 2000
Pro Player Stadium - (73,901)

The Bills dropped their third straight game and fell to 2-3 with a 22-13 loss to the Dolphins in Miami. The Bills entered the final quarter of the punishing and hard-fought game trailing 15-3 but mounted a gritty comeback effort that saw them pull to within two points midway through the fourth. With just under 5:00 to play, they got the ball back at their own 16 following a Miami punt. However, on the first play of the drive, RB Sammy Morris fumbled after a short reception and the ball caromed into the arms of Dolphins CB Sam Madison who returned it 20 yards for the game-breaking TD.

The game opened with the teams trading first quarter field goals - a 30-yarder by Olindo Mare on Miami's first drive and a 45-yarder from the Bills Steve Christie later in the quarter. After another Mare FG midway through the second quarter, the Dolphins increased their lead to 10 just after the 2:00 warning of the first half when Jay Fielder and Leslie Shepherd connected on a 20-yard TD pass.

Early in the third quarter, a Miami punt pinned the Bills at their own 1-yard line and that set-up a Dolphin safety as DT Jermaine Haley tackled Jonathan Linton in the end zone for the only points of the third quarter. With Miami leading 15-3 early in the fourth, the Bills offense began to heat up. Johnson connected with RB Shawn Bryson and TE Bobby Collins on passes of 32 and 23 yards, respectively. That set-up a Christie FG that trimmed the lead to 9 with 12:01 to go. After sending the Dolphins 3-and-out, the Bills inched closer by moving 82 yards in three plays, the most notable of which was a 41-yard reception by Peerless Price that led to a 3-yard scoring run by Morris that trimmed the lead to two.

Later in the 4th, however, the possibility of the Bills taking the lead dissolved with the aforementioned Madison fumble return TD. Suddenly down by nine with 4:45 to play, the Bills were furiously trying to rekindle the comeback effort when QB Rob Johnson was forced out of the game when he was hit in his throwing arm on a pass attempt. Back-up Doug Flutie replaced him and marched the team to the Miami 36 before an INT just after the 2:00 warning sealed the Bills fate.

Game 6

BILLS 27, CHARGERS 24 (OT)

October 15, 2000
Ralph Wilson Stadium - (72,351)

The Bills evened their record at 3-3 with a resilient and gutsy comeback win at home over the Chargers. Trailing by 10 entering the fourth quarter, the Bills scored on a pair of long drives in the final stanza to force overtime. Kicker Steve Christie's 29-yard FG with:07 left forced OT and his 46-yarder in the extra period won it. Bills QB Rob Johnson completed 29 of 47 passes for 321 yards (all career highs) to lead the comeback effort and was 10-18-104-TD in the pivotal fourth quarter. Also enjoying a big day on offense was WR Eric Moulds who rolled up 170 yards on a career-high 11 receptions. While Johnson's performance brought the Bills back in regulation, a shoulder injury forced him out of the game in OT and on the game's final drive, it was a pair of passes from back-up Doug Flutie that covered 30 yards and set-up the game-wining FG. That drive started at the Bills 41 following a Henry Jones INT.

San Diego opened the scoring with a FG late in the first quarter but a pair of fumble recoveries by the Bills defense set-up two TDs. First, Bills DT Pat Williams recovered a fumbled snap by QB Moses Moreno and Bills RB Sammy Morris capitalized when he ran 32 yards for a score on the very next play. On SD's next drive, LB Sam Cowart sacked Moreno, forcing a fumble that fellow LB Sam Rogers recovered deep in Chargers territory. Four plays later, RB Jonathan Linton fumbled at the 1-yard line but C Jerry Ostroski recovered it in the end zone for a TD that put the Bills up 14-3. The Chargers struck back quickly on their next drive when Jim Harbaugh returned at QB for good and connected with Curtis Conway on a 60-yard TD pass to pull San Diego to within 4 at intermission.

The Bills led 14-10 at the start of the 2nd half when Johnson turned it over to the Chargers at the Buffalo 18 and they scored on a short TD run five plays later. Midway through the third, San Diego went up 10 on a 52-yard TD catch by Jeff Graham. The Bills comeback began late in the third when they launched a 99-yard drive that ended on an 11-yard Shawn Bryson TD catch. Down by 3 with 2:33 to play, the Bills took over at their own 20 and moved 37 yards on 4 Johnson completions to set-up the game-tying FG.

Game 7

VIKINGS 31, BILLS 27

October 22, 2000
HHH Metrodome - (64,116)

The Bills traveled to Minnesota to take on the 6-0 Vikings and very nearly handed the hosts their first loss of the year thanks to an extremely efficient all-around effort. However, the Vikings came up with just enough big plays to counter the upset bid and dropped the Bills to 3-4 on the season.

The Bills offense was led by WR Eric Moulds, who finished with 135 receiving yards on a career-high 12 catches. Throwing to him was QB Doug Flutie, who made his first start of the year in place of the injured Rob Johnson and completed 28 of 43 passes for 294 yards and two TDs.

Minnesota opened the scoring with a 38-yard Gary Anderson FG late in the first quarter. The Bills then capitalized on a 20-yard Chris Watson punt return and a 24-yard run by Shawn Bryson to set-up a 25-yard Flutie-to-Moulds TD pass. The Bills increased their lead to 10-3 and chewed 10:55 off the clock with an amazingly methodical 21-play drive that ended with a 25-yard Steve Christie FG. Flutie, was 9-11 passing for 75 of the 80 yards on the drive. Just before halftime, though, the Vikings moved 34 yards in 5 plays and pulled to within 10-6 on an Anderson FG on the half's last play.

On the opening drive of the second half, Minnesota pulled ahead thanks to a 6-yard Cris Carter TD pass from Daunte Culpepper. The Bills answered, though, with another lengthy TD drive (13 plays-80 yards-8:04) that was capped by Sammy Morris' 1-yard plunge. Culpepper was then intercepted by LB Sam Rogers on the Vikings next possession and Morris put the Bills up 24-13 a short time later on an 18-yard TD pass from Flutie. The Vikes responded on their next drive with another Culpepper-to-Carter TD toss and narrowed the deficit to 3 with a successful 2-point try. The scoring continued when Christie hit a 48-yard FG on the next Bills drive to put the team up by 6 with 6:39 to play. The Vikings then took the lead with just under 4:00 remaining when Culpepper connected with Randy Moss on a 39-yard pass at the back of the end zone. The Bills best chance to come back extinguished when Peerless Price fumbled after a key third down reception, turning it over to the Vikes at the Bills 34 with 2:46 to play.

Game 8

BILLS 23, JETS 20

October 29, 2000
Ralph Wilson Stadium - (72,861)

The Bills evened their record at 4-4 and climbed back into the division race with a critical home win over the Jets. In the end, it was a 34-yard FG from Steve Christie as time expired that broke a 20-20 tie and gave the Bills the vital win. While the Jets held a slight edge in most statistical categories, New York turned it over four times compared to none for the Bills and that proved to be the most telling stat as each Jet turnover was a huge one.

The Bills opened the scoring in the first quarter when rookie RB Sammy Morris capped a 55-yard drive with a 1-yard plunge, giving him his fourth straight game with a rushing TD. The Jets answered on their next drive when Vinny Testaverde hit TE Fred Baxter with a 12-yard TD pass to tie the game. Early in the second quarter, Bills FS Keion Carpenter INT'd Testaverde near midfield and that led to a 20-yard Christie FG. The Bills lead quickly grew to 10 when SS Henry Jones picked off a Testaverde pass on the next Jet drive and returned it 45 yards for a TD. Late in the first half, the Jets marched to the Buffalo 10 with :41 to go in the half when Sam Rogers sacked Testaverde, forcing a fumble that Sam Cowart recovered to extinguish the scoring threat.

In the third quarter, the Jets tied the game at 17 thanks to a 40-yard John Hall FG and a 10-yard Testaverde-to-Wayne Chrebet scoring pass. Momentum further shifted NY's way early in the fourth when the Jets blocked a 44-yard Christie FG try. Three plays later, though, Keith Newman forced a Curtis Martin fumble and Cowart recovered again. That led to a 29-yard Christie boot to put the Bills up 20-17. The key play on the FG drive was a 52-yard Eric Moulds catch. On the day, Moulds had 137 yards on 6 catches for his third straight 100-yard game and his 5th of 2000.

That lead was imperiled late in the fourth as the Jets again advanced deep into Bills territory. Facing a 3rd-and-1 from the Buffalo 13 with 2:40 to play, Cowart sniffed out a screen pass to Richie Anderson and dumped him for a five yard loss that forced the Jets to settle for the game-tying FG, a 36-yarder with 2:20 to play.

After the NYJ kickoff, the Bills took over at their own 27 with 2:11 to go. Behind Doug Flutie, they quickly moved down the field. Thanks largely to a 17-yard completion to Peerless Price on 3rd-and-10 and a pair of 9-yard pass plays to Morris, the Bills advanced to the NYJ 14 with :32 left. Christie then calmly trotted out to nail his 15th career game-winner and his third of the season.

BILLS 16, PATRIOTS 13 (OT)

November 5, 2000
Foxboro Stadium - (60,292)

On a chilly and drizzly afternoon in Foxboro, the Bills moved to 5-4 with a 16-13 overtime win over the Patriots. As often the case in 2000, kicker Steve Christie was again the hero as his 48-yard FG with 0:04 left in regulation tied the game and his 32-yarder won it in OT. It marked the fourth time in Buffalo's five wins that a Christie FG won the game in the final minute or OT and the third time he won a game on the final play in 2000.

On a day when conditions made it difficult for either team to move the ball consistently, the Bills defense held the Pats to just 189 total yards (89 rush/100 pass) and the Buffalo offense racked up 315 total yards. The Bills led 10-0 early in the 2nd quarter following a 19-yard Christie FG and a 9-yard pass from Doug Flutie to TE Jay Riemersma. The TD drive was set-up when CB Ken Irvin intercepted a Drew Bledsoe pass that was rushed by LB Sam Cowart. After the INT, Bledsoe exited the game with a hand injury and was replaced by John Friesz. Just before halftime, a mishandled exchange between Flutie and RB Sammy Morris gave NE the ball at the Bills 33 but the defense forced them to settle for a 48-yard Adam Vinatieri FG that made the score 10-3 at the half.

Early in the 3rd quarter, the Pats had several opportunities from the Bills 1-yard line but were turned away each time. Ultimately, the threat ended when LB John Holecek picked off a Freisz pass in the end zone. With 9:00 to play and on their 8th play from inside the1-yard line in the half, RB J.R. Redmond scored via a run on 4th down to tie the game at 10. The Patriots then took the lead on a 43-yard Vinatieri FG with 2:08 to play. After the kickoff, the Bills took over at their own 24 with 2:03 left, down 3 and with one time-out. A 10-play, 46-yard drive led to Christie's clutch 48-yarder to force OT. The Bills overcame a questionable offensive pass interference penalty on the drive and key plays included a 24-yard pass to Jeremy McDaniel and an 11-yard Flutie run on 3rd-n-10.

The Pats won the toss in OT and took the ball but the Bills defense sent them three-n-out. On a 3rd-n-4 play from the NE 29, Sam Cowart shot the gap and sacked Friesz for a 7-yard loss to force a punt. The Bills then took over at their own 35 and moved 52 yards in six plays. Keys included a 22-yard pass interference penalty and Shawn Bryson runs of 15 and 5 yards that set-up the game-winning FG. For Christie, it marked his 7th career OT game-winner. In NFL history only Jim Breech had more with 9.

Game 10

BILLS 20, BEARS 3

November 12, 2000
Ralph Wilson Stadium - (72,420)

The Bills recorded their third straight win and improved to 6-4 on the season with a 20-3 home victory over the Bears. It marked the Bills' largest point differential to that point in 2000 and just the second time all season the Bills played a game with a double-digit margin of victory (lost 27-14 at NYJ). Keys to the win included four takeways (3 INT, 1 fumble recovery) by the defense, which also scored one of the team's two touchdowns. Free safety Keion Carpenter recorded two of the team's three INTs and nickel back Daryl Porter had the third and also found the end zone once on a fumble recovery. Leading the offense was WR Eric Moulds, who finished with 91 yards on five catches while tying the franchise record for consecutive games with a catch with 43.

QB Doug Flutie started his fourth straight game in place of Rob Johnson and got the Bills on the board first when he led an 8-play, 56 yard drive that resulted in a Steve Christie FG early in the second quarter. Key plays included 24-yard catches by Sammy Morris and Jeremy McDaniel. The Bears tied the game with a FG later in the second quarter but on that drive, the team lost QB Jim Miller for the season with an achilles injury. After the Chicago FG, the Bills took over at their own 22 with 4:56 to go in the half and Johnson came in at QB to spell Flutie. He completed 2 of 3 passes including a 24-yard connection with Moulds and ran one time for 19 yards to set-up another Christie FG that put the Bills up 6-3 at intermission.

Flutie returned at QB in the second half and topped the team's opening possession of the 2nd half with a 1-yard TD run on a fourth-and-goal bootleg that ended a 70-yard scoring drive. It was aided significantly by pass plays of 21 and 22 yards to Peerless Price and Moulds, respectively. Carpenter ended two of the Bears next three drives with INTs but the Bills failed to capitalize. Trailing 13-3 with about 3:00 left, Chicago advanced to the Bills 32 before the defense took matters into its own hands. LB Sam Rogers sacked Shane Matthews forcing a fumble that Keith Newman scooped up and returned 25 yards before fumbling and allowing Porter to race 23 yards for the TD. Porter then sealed the Bears fate when he intercepted a Matthews pass at the Bills 22.

Game 11

BILLS 21, CHIEFS 17

November 19, 2000
Arrowhead Stadium - (78,457)

The Bills won their fourth straight contest and notched their first win at Kansas City since 1986 with a thrilling 21-17 victory that saw them erase two fourth quarter deficits. The win upped the team's record to 7-4 and kept them firmly entrenched in the playoff races and the logjam atop the AFC East.

Leading the Bills was QB Rob Johnson, who returned from a separated shoulder that had sidelined him for the previous four games. In the hostile confines of Arrowhead Stadium, Rob showed remarkable poise in guiding the Bills on a pair of 4th quarter TD drives that each began with the Bills trailing and ended 60+ yards later with Buffalo leads thanks to a Johnson TD pass and an acrobatic scoring run.

On the opening drive of the game, the Bills moved 71 yards in 10 plays and struck first with a 9-yard scoring pass from Johnson to Eric Moulds. On the drive, Rob was 3-4 passing and a TD and ran once for 20 yards. The Bills held the ball for more than five minutes on their next two drives but never advanced far enough to put points on the board. One highlight came on a 4th-and-13 play when punter Chris Mohr hit Daryl Porter with a 44 yard pass on a fake punt. With 5:12 left in the first half, the Chiefs had a first-and-goal at the Bills 5 but were forced to settle for a 19-yard Todd Peterson FG. Just before intermission, KC reached the Bills 17 but Pat Williams blocked Peterson's 35-yard try in the closing seconds of the half for a big play that would loom even larger later on.

Midway through the third, KC took the lead on a 13-yard TD pass from Elvis Grbac to Tony Gonzalez. Later on in the quarter with KC up 10-7, the Chiefs marched within the Bills 20 before LB Sam Rogers halted the drive when he sacked Grbac, forcing a fumble that Williams recovered. The Bills offense then took the field and launched the go-ahead drive that ended when Jay Riemersma gathered in a tipped 18-yard pass from Johnson to put the Bills up 14-10 with 13:35 left. The Chiefs and Grbac responded with a long drive of their own and took a 17-14 lead on a 9-yard TD pass to Gonzalez with 7:55 to go. Taking over at their own 33 with 7:46 left, Johnson and Co. moved 55 yards in 10 plays before facing a 3rd-and-goal play at the KC 12. On that play, Johnson took off on a scramble that ended with a spectacular goal-line dive over and around the end zone pylon. Officials initially ruled Rob out at the one but changed it to a TD after a Bills replay challenge. Trailing 21-17, the Chiefs reached the Bills 25 at the 2:00 warning before Keion Carpenter INT'd Grbac's next attempt. KC got the ball back with enough time for a desperation heave but it was knocked down on the game's final play by Moulds who was in as an extra DB. Earlier in the game, Moulds topped 1,000 receiving yards for the season and extended his consecutive games with a reception streak to a franchise record 44 games.

Game 12

BUCCANEERS 31, BILLS 17

November 26, 2000
Raymond James Stadium - (65,546)

The Bills saw their 4-game win streak come to an end with a 14-point loss to the Bucs on a drizzly afternoon in Tampa. In addition to the defeat, the team suffered several significant injuries but bravely battled back from each. The Bills dominated statistically with a 433 to 180 edge in total yards and outgained Tampa 294 to 66 in passing yards. However, the combination of Bills injuries and big plays by the Bucs were enough to give Tampa the win which dropped the Bills to 7-5 for the season.

Tampa Bay struck first with a 45-yard Martin Gramatica FG on the game-opening drive. The Bills defense then sent them 3-n-out on their next three drives, including one that saw them sack Bucs QB Shawn King on three straight plays. In the first quarter alone, the Bills sacked King four times including 2.5 by LB Sam Cowart. The defensive success tilted the field position battle in the Bills favor and they capitalized early in the 2nd when Rob Johnson capped a long drive with a 4-yard TD pass to Jonathan Linton. The Bucs answered later in the quarter when King scored on a 2-yard TD run to put Tampa up 10-7. The Bills had a chance to tie it just before halftime but Steve Christie missed on a 42-yard FG try after rushing onto the field as the clock was winding down and the Bills were out of timeouts. More costly than that, though, was a string of 2nd quarter injuries that saw a Bills defense that was already playing without DE Phil Hansen (knee) and CB Antoine Winfield (shoulder/IR) lose three more starters - Cowart (ankle), LB Sam Rogers (groin) and FS Keion Carpenter (ankle).

Still, the depleted unit continued to shut down the Bucs in the 2nd half, holding them to just one 1st down in the 3rd quarter. The Bills offense, meanwhile, moved the ball on the Bucs but could not cut into the lead. The best chance came midway through the 3rd when they reached the TB19, thanks largely to a 35-yard reception by TE Jay Riemersma, but saw the drive end on a Peerless Price fumble. Early in the 4th, the Bucs upped the lead to 17-7 on a 6-yard Warrick Dunn TD run. The Bills answered quickly on their next drive as Johnson moved the offense downfield and hit WR Eric Moulds on a 19-yard TD pass to make it 17-14. After sending the Bucs 3-n-out on the next drive, the Bills could not get a 1st down themselves and had to punt it to Karl Williams, who returned it 73 yards to put the Bucs back up 10 with 5:34 left. The resilient Bills came right back behind a battered but brave Johnson and pulled to within a TD with 2:27 to go on a 28-yard Christie FG. However, one play after the Bucs recovered the Bills onside kick try, Dunn raced 39 yards for a TD that effectively ended the Bills chances.

In addition to Johnson, the offense was led again by Moulds who finished with a game-high 102 yards on 8 catches. Dunn, meanwhile became the first back to rush for 100 against the Bills in 2000.

Game 13

DOLPHINS 33, BILLS 6

December 3, 2000
Ralph Wilson Stadium - (73,002)

The Bills fell to 7-6 with a lopsided home loss to the Dolphins. The defeat was their second straight and snapped the team's three-game home winning streak. Buffalo entered the game with a depleted defensive unit that was missing a total of six starters due to injury and Miami took advantage of it. The Dolphins scored on four of their first six drives and held a 24-0 halftime lead mainly on the strength of three Jay Fielder TD passes. In all, the Dolphins scored on six of their first eight possessions, including five straight in the second and third quarters on the way to taking a 30-0 lead.

Miami opened the scoring when Fiedler hit Lamar Smith with a 6-yard TD pass on the game's first drive. The Bills seemed poised to answer on their first offensive drive when they marched deep into Miami territory but it ended on a Rob Johnson interception in the end zone. The gritty Bills defense stopped Miami on their next two drives and tilted the field position in Buffalo's favor early in the second. They had another opportunity to keep the game close in the second quarter when they took over at the Miami 37 following a punt but came away pointless after a missed FG. Miami then closed the half by scoring on its next three drives (two TDs and a FG) to take a 24-0 lead at intermission.

The second half brought more of the same as the Dolphins provided the only points of the third quarter on a pair of Olindo Mare field goals. The Bills got on the board early in the fourth quarter when they capitalized on a fumble recovery by LB Corey Moore and scored via a one-yard Antowain Smith TD run. It would wind up being the team's only points of the day as the Dolphins held onto the ball for the majority of the fourth quarter and Mare's fourth FG of the day provided the game's final points.

Bright spots for the Bills included the play of running back Shawn Bryson who rushed for a season and career-high 88 yards on 12 carries and added significantly to the team's 160 rushing yards. Bills DE Marcellus Wiley also added 1.5 sacks to increase his team-leading total to 9.5 for the season. The victory gave the Dolphins their first season series sweep of the Bills since 1987.

Game 14

COLTS 44, BILLS 20

December 11, 2000
RCA Dome - (56,671)

The Bills and Colts faced off in a Monday night match-up of 7-6 teams fighting for their playoff lives. The winner would stay alive in the race while the loser would be eliminated from contention. The depleted but gritty Bills trailed 9-6 after a competitive first half but the Colts capitalized on several Bills mistakes after intermission and exploded for 35 second-half points to earn the crucial win.

Steve Christie's 29-yard field goal on the Bills' first offensive possession opened the scoring and gave the Bills gave an early lead. The Colts tied it and then pulled ahead later in the first half on Mike Vanderjagt FGs of 37 and 23 yards. Midway through the second quarter, the Bills knotted it with Christie's 46-yarder but the Colts went into the locker room up 9-6 on Vanderjagt's 39-yarder on the final play of the field-goal filled first half.

The second half did not start well for the Bills as their first drive went 3-and-out and they gave the Colts prime field position when Chris Mohr mishandled a punt leading to a block. Four plays later, Edgerrin James scored on a 1-yard TD run. Later in the 3rd quarter, Rob Johnson was sacked near midfield forcing a fumble that Indy's Bernard Holsey returned 48 yards to put the Colts up 23-6. The Bills answered on their next series when Sammy Morris capped a 6-play, 74-yard drive with a 1-yard TD plunge that trimmed the lead to 23-12 after a failed PAT. That would be as close as the Bills would get as Indy scored two more TDs early in the fourth. The first came on a 1-yard run by James and right after, Mustafah Muhammad picked off a Johnson pass and returned it 40 yards to put the Colts up 37-12.

Doug Flutie came on in relief of Johnson in the fourth quarter and capped his first drive with a 29-yard TD pass to Peerless Price. James then scored his third rushing TD of the half late in the fourth on a 13-yard run that provided the game's final score.

PATRIOTS 13, BILLS 10 (OT)

December 17, 2000
Ralph Wilson Stadium - (47,230)

Strong winds and a steady snowstorm created some of the most adverse playing conditions in recent memory and the Patriots outlasted the Bills to claim a 13-10 overtime victory. The game marked the third straight OT contest in the Bills-Pats series, something that's occurred just one other time in NFL history. Denver and Oakland also played three straight OT games in 1984-85.

The game began in wind and rain that turned to snow during the first half. The Pats got on the board on the final play of the first quarter on Adam Vinatieri's 22-yard FG. Early in the second, Doug Flutie came on in relief of Rob Johnson (concussion) and midway through the quarter, Steve Christie's 25-yard FG tied the game at three. The weather deteriorated in the second half as the snow increased and winds exceeded 40 m.p.h. which led to a scoreless third quarter. The Bills did reach the Pats 1-yard line at one point but a fumbled exchange backed them up to the five before Christie's 23-yard attempt was blocked. On their next series, the Bills reached the Pats' 1-yard line again but fumbled the exchange again and this time turned the ball over. However, the defense sent NE three-and-out and the Bills advanced to the New England one for the third straight drive. This time they capitalized when Flutie hit TE Sheldon Jackson with a 1-yard scoring pass.

The Pats came back to tie it with 4:45 left in the fourth quarter on a 13-yard Kevin Faulk TD run. Late in the fourth quarter, the Pats had a chance to win it when they reached the Bills 10-yard line with :01 left but a bobbled snap led to a missed FG as regulation time expired. On their first drive of overtime, the Bills reached the NE 12 before Christie's 30-yard attempt was blocked. The Patriots then marched right down the field to set-up Viantieri's 24-yard game-winner that dropped the Bills to 7-8 for the season.

The OT win was New England's first in five attempts against the Bills and the two teams joined the Broncos and Raiders (1984-85) as the only teams in NFL history to play three straight OT contests. With two catches, WR Eric Moulds tied Andre Reed's franchise record for receptions in a season (90 in 1984). Also, with his sack of Drew Bledsoe, Marcellus Wiley upped his season total to 10.5, making him just the fourth player in team history to record a double-digit sack total in a season.

Game 16

BILLS 42, SEAHAWKS 23

December 23, 2000
Husky Stadium - (61,025)

The Bills closed the 2000 season in very impressive fashion with a 42-23 win that snapped a four-game losing streak and gave the team a final record of 8-8. Playing a nationally televised tilt on a rainy Saturday evening at Husky Stadium, the Bills exploded on offense for 579 total yards for the second highest total in team history (582 vs. Miami, 9/1/91).

The Bills scored touchdowns on their first three drives of the game and on six of nine possessions overall. Leading the way was QB Doug Flutie, who started in place of Rob Johnson, and completed 20 of 25 passes for a career-high 366 yards with 3 touchdowns and no interceptions. Also with exceptional individual statistical lines were RB Antowain Smith (17 carries for career-high 147 yards and 3 TDs) and WR Peerless Price (career highs with 8 catches for 132 yards and a TD). Topping the 100-yard mark was WR Eric Moulds (4-101). The four catches gave him 94 for the season and sole claim to the team record (Andre Reed, 90 in 1994).

The Bills led 28-14 at halftime after rolling up 332 yards of offense and scored on three of four drives. The only one that didn't result in points occurred when Steve Christie's 26-yard FG attempt hit the upright. Of the team's six total TDs, Antowain Smith ran for 3 of them and had a career-long run of 59 yards to the Seattle 1-yard line that ended when he fumbled out the back of the end zone. The other three scores came on Flutie TD passes to RB Shawn Bryson, TE Jay Riemersma and WR Peerless Price.

The game marked the only time in team history that the Bills had 300 passing yards and 200 rushing and the 42 points were the most since a 45-33 win at New Orleans in the '98 regular season finale. It was the 11th time the Bills had two 100-yard receivers in the same game, the sixth time they had a 100-yard rusher, receiver and 300-yard passer, and just the third time they had a 100-yard rusher, 300-yard passer and a pair of 100-yard receivers.

The Comeback Vs. Houston

After consecutive Super Bowl appearances following the 1990 and '91 seasons, the Bills finished 11-5 in 1992, but lost the division title to Miami on the conference-record tiebreaker. As a result, their journey back to the Super Bowl would have to begin on January 3, 1993 with a home game vs. the Houston Oilers.

The Bills got off to a slow start as the Houston offense enjoyed a 21:12 time of possession edge in the game's first 30 minutes. Houston averaged 7.3 yards per offensive play behind quarterback Warren Moon's 19 of 22 passing for 218 yards and four touchdowns – a 147.5 passer rating. At halftime, the Bills trailed the Oilers 28-3.

The second half start was no better. Fewer than two minutes into the third quarter, the Bills yielded a 58-yard interception-return touchdown and fell behind 35-3. However, with 13:15 remaining in the third quarter, the Bills embarked on the greatest comeback in NFL history, which in 1999 was chosen by fans as the Fifth Most Memorable NFL Game of the Century in voting on nfl.com.

Here's how it happened:

- After allowing the INT-return touchdown, the Bills drove 50 yards in 10 plays on their next possession, capping the drive on a Kenneth Davis' one-yard touchdown run. Houston 35, Buffalo 10.
- Bills kicker Steve Christie then recovered his own onside kick. Four plays later, Bills quarterback Frank Reich, starting for an injured Jim Kelly, connected with Don Beebe on a 38-yard touchdown. Houston 35, Buffalo 17.
- The Bills' defense produced a three-and-out on the ensuing Houston possession and Buffalo took over on its own 41-yard line. Five plays later, Reich hit Andre Reed for a 26-yard touchdown. Houston 35, Buffalo 24.
- Two plays into the Oilers' next drive, Bills safety Henry Jones intercepted a deflected Moon pass and returned it 15 yards to the Houston 23-yard line. The Bills gained five yards on three plays and faced a fourth-and-five. Time out, Buffalo. Reich convinced Levy to go for it on fourth down. He then saw Reed break away from the safety and hit him on the goal line for 18 yards and a touchdown. Houston 35, Buffalo 31. In a span of six minutes and 52 seconds, the Bills had cut their deficit from 32 points to four.
- After the teams traded punts, Moon led the Oilers on a 76-yard drive early in the fourth quarter over seven-and-a-half minutes. Houston then caught a break. A Buffalo interception was wiped out by a penalty called on the Bills' for a late-hit foul against Moon.
- The Oilers reached the Buffalo 14-yard line and set up for a field goal. It was then that the Bills received some help from above - it started raining. Montgomery fumbled the snap and kicker Al Del Greco recovered but the Oilers had turned the ball over on downs.
- Buffalo then drove 74 yards in seven plays into the wind, taking the lead on a 17-yard touchdown pass from Reich to Reed - the duo's third scoring connection in little more than 16 minutes. Buffalo 38, Houston 35.
- Moon then led Houston 63 yards in 12 plays, setting up the game-tying 26-yard Del Greco field goal with 12 seconds remaining.
- The game went to overtime and the Oilers won the coin flip but after two completions for seven yards, Moon faced a third-and three from the Houston 27. It was then that Bills safety Nate Odomes stepped in front of a Moon pass at the 37 and returned the INT to the 35. The Bills gained 15 more yards on a penalty when Odomes was grabbed by his facemask.
- After two Davis rushes for six yards, Christie kicked a 32-yard field goal 3:06 into overtime. Buffalo 41, Houston 38.

In addition to keeping their Super Bowl hopes alive (the Bills would win their next two on the road to make that third consecutive appearance), Buffalo set an NFL record. Their 32-point comeback victory remains the largest in NFL history.

How The BILLS Got Their Name

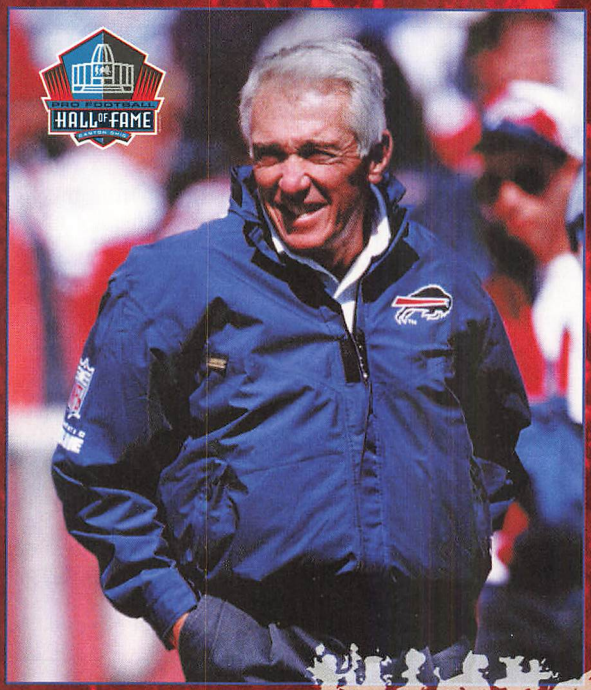

Following the 1946 season, in an effort to generate more fan interest and distinguish the football team from the city's minor league baseball and hockey teams, which also bore the name "Bisons," the team ran a contest to select a new name. Over 4,500 entries were submitted, and "the Bills" won out over "Bullets," "Nickels" and "Blue Devils." Several contestants suggested the winning name, but James F. Dyson was named the winner of the $500 prize based on his essay comparing the team to a band of "Buffalo Bills." He wrote that, while the legendary Indian Scout William "Buffalo Bill" Cody helped trailblaze the American Frontier, the football team (owned by the president of Frontier Oil) was opening a new frontier in Buffalo sports.

DECADE OF DOMINANCE

REMEMBERING THE NINETIES

The 1999 season closed the most successful decade in Buffalo Bills history. The 1990s saw Buffalo record an AFC-leading 103 regular season victories, play an NFL-leading 18 playoff games (10-8) and reach an unprecedented four consecutive Super Bowls.

In November of 1999, the Bills became one of just eight NFL teams ever to post 100 wins in any decade.

"I hope the fans are as proud of the record as I am," said Bills President Ralph Wilson after the team recorded its 100th win in the 1990s. "I think a lot people take it for granted but this is a major milestone, a major accomplishment for our team."

The Bills won 64.3% of the 160 regular season games played in the 1990s as compared to the 80s they won 45%, the 70s when they won 35% and the 60s when they won 46%.

100 IN A DECADE

With a win on Nov. 28, 1999 vs. New England, the Bills recorded their 100th win of the 1990s and became just the sixth franchise in NFL history to record 100 wins in a decade.

Later on in 1999, Buffalo was joined by Kansas City and Dallas in the decade's 100-win club. At season's end there were a total of eight NFL teams that have accomplished the feat.

San Fran	1990s	113-47-0
Dallas	1970s	105-39-0
Miami	1970s	104-39-1
San Fran	1980s	104-47-1
BUFFALO	1990s	103-57-0
Kansas City	1990s	102-58-0
Dallas	1990s	101-59-0
Oakland	1970s	100-38-6

NFL TEAMS OF THE 90'S

After posting an 11-5 record in the final regular season of the 1990s, the Bills were able to claim the AFC's best record of the decade. The team trailed only San Francisco, whose 113 victories lead all NFL teams this decade.
With a week 16 win at New England, Buffalo notched its eight 10-win season of the 1990s, a figure that trails only the nine recorded by the 49ers.
The following is a list of the top teams of the 1990's based on regular season wins and 10-win seasons:

	Team	Reg. season record	10-win seasons
1.	San Fran	113-47	9
2.	Buffalo	103-57	8
3.	Kansas City	102-58	6

7.	Denver	94-66	5
8.	Pittsburgh	93-67	5
	Green Bay	93-67	4
10.	Tennessee	88-72	4

AFL EASTERN DIVISION PLAYOFF
December 28, 1963
War Memorial Stadium - (33,044)

Babe Parilli passed for 292 yards and a pair of TDs and Gino Cappelletti kicked 4 FGs to lead the Boston Patriots over Buffalo 26-8. The Boston defense limited the Bills to just 7 yards rushing and intercepted 4 Bills' passes to ruin Buffalo's 1st postseason playoff appearance. Buffalo had just 38 yards total offense in the 1st half as the Patriots broke to a 16-0 lead. The Bills' only scoring threat was set up by a 62-yard KO return by Elbert Dubenion, but Buffalo couldn't move and a 39-yard FG attempt fell short. In the 2nd half, Buffalo scored 1st on a 93-yard pass play from Daryle Lamonica to Dubenion late in the 3rd quarter, but Boston answered with a 68-yard TD capped by a Parilli pass to Larry Garron that put the game out of reach.

AFL CHAMPIONSHIP GAME
December 26, 1964
War Memorial Stadium - (40,242)

Buffalo made its first appearance in an AFL Championship Game a successful one with a 20-7 victory over San Diego. The Chargers scored first and made it look easy, driving 80 yards in just 4 plays, but the momentum quickly changed hands. On the Chargers' 2nd possesion, the Bills' Mike Stratton crashed into San Diego RB Keith Lincoln, putting the Chargers starter out of the game, and a sense of excitement rippled through the Buffalo stands. The rest of the game belonged to the Bills. Cookie Gilchrist's 122 rushing yards complimented the varied Bills' passing attack as Buffalo scored 20 unanswered points. A pair of Pete Gogolak FGs and a 4-yard run by Wray Carlton gave Buffalo a 13-7 halftime lead and Jack Kemp's 47-yard pass to Glenn Bass set up a Kemp sneak for a TD in the 3rd quarter that finished the scoring.

GAME NOTES

- Bills' LB Mike Stratton had a standout performance recording an INT and "The Hit Heard Around the World." With 8:19 left in the first quarter, Stratton nailed San Diego RB Keith Lincoln with a hit which put Linclon out of the game. "The Hit," which broke one of Lincoln's ribs, was considered the turning point in the game.
- Two ex-Chargers came back to haunt their former team. QB Jack Kemp, picked up off waivers from San Diego for $100 dollars, fueled the Bills offense past the Chargers. The other Charger cast off, P Paul Maguire, launched a 64-yard punt and killed the Chargers last attempt for a comeback. Maguire's punt was the longest in Bills playoff history.

BILLS 23, CHARGERS 0

AFL CHAMPIONSHIP GAME
December 26, 1965
Balboa Stadium - (30,361)

For the second straight year, the Bills defeated the Chargers to win the AFL Championship. In 8 quarters of championship play, the Chargers managed just 7 points against Buffalo. After an uneventful 1st quarter, Jack Kemp, voted the game's MVP, hit Ernie Warlick with an 18-yard TD pass to open the scoring and 3 minutes later the Bills' Butch Byrd returned a punt 74 yards for a score to put Buffalo on top 14-0. The rest of the game belonged to the Bill's defense as they continually thwarted San Diego's explosive offense. Three Pete Gogolak FGs in the 2nd half added icing to the Bills' championship cake.

CHIEFS 31, BILLS 7

AFL CHAMPIONSHIP GAME
January 1, 1967
War Memorial Stadium - (42,080)

Led by the impeccable quarterbacking of Len Dawson, the Kansas City Chiefs earned the right to play the Green Bay Packers in Super Bowl I by defeating Buffalo, 31-7. The Chiefs' defense forced 4 Buffalo turnovers and limited the Bills to 9 first downs and 40 yards rushing. The Chiefs grabbed an early 7-0 lead, after Buffalo fumbled the opening KO. The Bills countered with a 69-yard bomb from Jack Kemp to Elbert Dubenion to tie the game. Dawson hit Otis Taylor with a 29-yard TD pass in the 2nd quarter to put the Chiefs on top, but Kemp moved Buffalo into scoring position near the end of the half. A Johnny Robinson INT and long return set up Mike Mercer's 32-yard FG with 3 seconds left in the half and Kansas City had the momentum. Buffalo never penetrated the Chief's 40-yard line in the 2nd half while Kansas City added a pair of scores by Mike Garrett to turn the game into a rout.

STEELERS 32, BILLS 14

AFC DIVISIONAL PLAYOFF
December 22, 1974
Three Rivers Stadium - (48,321)

A 4-TD explosion in the 2nd quarter propelled Pittsburgh to a 32-14 win over the Bills, spoiling Buffalo's 1st post-season appearance in 8 years. The Bills moved out to an early 7-3 lead on a 22-yard TD pass from Joe Ferguson to Paul Seymour. But Terry Bradshaw ran the Steeler offense to perfection in the 2nd quarter, completing 7 of 8 passes for 143 yards and repeatedly hurting Buffalo with scrambling gains. Rocky Bleier began the Pittsburgh scoring avalanche with a 27-yard TD reception and Franco Harris scored 3 times from inside the 5-yard line as the Steelers moved out to an insurmountable 29-7 lead. In the 2nd half, Buffalo's comeback hopes were stymied by the tough Pittsburgh defense and a stubborn ball control offense that kept the ball away from the Bills.

AFC DIVISIONAL PLAYOFF
January 3, 1981
San Diego Stadium - (48,321)

In dramatic fashion, San Diego rallied from a 14-3 deficit as QB Dan Fouts connected with WR Ron Smith on a 50-yard scoring pass with just 2:08 remaining in the game. The reception was only the 5th of the season for Smith. Playing courageously on a badly sprained left ankle, QB Joe Ferguson tried to direct a last ditch bid by the Bills. His efforts were thwarted, however, when a pass was picked off by a San Diego defender after Buffalo had reached midfield. Meeting for the 2nd time at San Diego within a 3-month span, the teams battled on even terms until the Chargers got a late 1st quarter FG. Then the Bills took command with two 2nd period scores. The 1st came on a 1-yard burst up the middle by Roosevelt Leaks. With only 16 seconds remaining in the half, Ferguson connected with WR Frank Lewis on a 9-yard scoring play, upping the Bills' margin to 14-3. San Diego countered with a 3rd quarter TD and 4th period FG before the late heroics by Fouts and Smith..

AFC WILD CARD GAME
December 27, 1981
Shea Stadium - (57,050)

In a Wild Card game that lived up to its name, the Buffalo Bills stormed to a 24-0 lead but needed a last-second INT by Bill Simpson to preserve their 1st postseason victory since 1965. Charles Romes got the visitors off and winning by picking up Bruce Harper's fumble on the opening KO and returned it 26 yards for a TD. The play took 16 seconds and was the 2nd fastest score in NFL playoff history. TD passes of 50 and 26 yards to Frank Lewis, were sandwiched around a 29-yard Nick Mick-Mayer FG to put the Bills, up by 24-0. The Jets hung up 10 points before halftime and trailed 24-13 after Pat Leahy's 19-yard FG in the 3rd quarter. Joe Cribbs, staked the Bills to a 31-13 lead with his 45-yard scoring run 5 minutes deep into the final period. The Jets, however, refused to die. Richard Todd moved them 80 yards in 8 plays, hitting Bobby Jones with a 30-yard TD toss. After Buffalo failed to move on their next possession, Todd got the Jets within four with the aid of an interference call against Mario Clark that wiped out an apparent INT, in a 58-yard march that ended on a 1-yard plunge by Kevin Long. Buffalo could not generate a 1st down and turned the ball back to New York at the Jets' 20 with 2:36 remaining. Todd passed the Jets downfield, reaching the Buffalo 11 with just 10 seconds to play. Simpson stepped in front of his 2nd-and-10 try for Derrick Gaffney in the end zone to intercept at the Buffalo one to seal the Jets' doom.

AFC DIVISIONAL PLAYOFF
January 3, 1982

Cincinnati jumped out to a 14-0 1st quarter lead, after cashing in on a long punt return and an INT, and defeated Buffalo 28-21, to secure the 1st postseason victory in the history of the Bengals' franchise. The Bengals' Mike Fuller returned a Greg Cater punt 27 yards to start Cincinnati's 1st possession at the Buffalo 42. Charles Alexander capped a 7-play drive with his 4-yard scoring run. After Ken Riley intercepted a Joe Ferguson pass, the Bengals marched 48 yards in 8 plays and took a 14-0 advantage on Pete Johnson's 1-yard run. Buffalo breathed new life before halftime, as Ferguson hit Jerry Butler with a 54-yard pass to draw within 14-7 on Joe Cribbs' 1-yard run. Early in the 3rd quarter, the Bills evened the issue on a 44-yard scoring run by Cribbs, a play that would later prove costly as the Buffalo rushing leader injured a knee and played only one more down before retiring for the afternoon. The teams traded TDs, Cincinnati scoring on a 20-yard run by Alexander and Buffalo on a 21-yard pass from Ferguson to Butler, to make it 21-21 after 1 play of the 4th quarter. Bengal QB Ken Anderson put Cincinnati back in the driver's seat, 28-21, on a 16-yard scoring pass to Cris Collinsworth. Buffalo's last grasp reached the Bengal 20 late in the final stanza but a controversial delay-of-game penalty wiped out an apparent 3rd down conversion pass to Lou Piccone and Ferguson overthrew Roland Hooks in the end zone on 4th down.

Thurman Thomas, who earlier had a career-best 40-yard run, scored from 11 yards out following a 59-yard drive to give the Bills a 14-3 lead after 3 quarters. Scott Norwood nailed a 27-yard FG after Mark Kelso picked off a Moon pass and returned it 28 yards to put the Bills at the Houston 18. Mike Rozier capped an 80-yard Houston drive with a 1-yard scoring plunge with 5:12 remaining in the game. The Oilers forced Buffalo to punt with just under two minutes remaining, but Steve Tasker stripped the ball away from Curtis Duncan and Ray Bentley recovered at the Houston 18 allowing Buffalo to run out the clock and win the game.

BENGALS 21, BILLS 10

AFC CHAMPIONSHIP GAME
January 8, 1989
Riverfront Stadium - (59,747)

The Bills' season ended in Riverfront Stadium as Cincinnati dominated the Bills, 21-10, before a boisterous crowd. The Bills offense sputtered throughout the game, spent most of the second half pinned against its own goal line and failed to convert on any 3rd down opportunities in the game. Cincinnati scored first on a 1-yard TD run by Ickey Woods, following an Eric Thomas INT of a Jim Kelly pass. Buffalo answered quickly, as Kelly connected on all 4 of his passes in the following drive, finishing with a 9-yard scoring strike to Andre Reed and tying the game at 7-7. The Bills forced Cincinnati to punt and drove to the Bengals' 26-yard line, but Scott Norwood's 43-yard FG attempt sailed wide left. The Bengals took advantage of the break and scored on a Boomer Esiason 10-yard TD pass to James Brooks. The Bills pulled to within 4 at the half as Norwood connected on a 39-yard FG, following a 25 yard INT return by Mark Kelso. The second half belonged to Cincinnati as it held Buffalo to 2 first downs and forced the Bills to start all 5 of its drives inside the 23-yard line. The Bengals took advantage of a personal foul against Bills' DB Derrick Burroughs to set up Woods' second 1-yard TD. Buffalo launched one last drive, but it ended when David Fulcher picked off a 4th-down pass from Kelly in the end zone.

AFC DIVISIONAL PLAYOFF

January 6, 1990

Cleveland Stadium - (77,706)

LB Clay Matthews intercepted a QB Jim Kelly 11-yard pass on the 1-yard line with 9 seconds left in the game to preserve the victory for the Browns. In dramatic style, Buffalo began a comeback bid after K Matt Bahr kicked a 47-yard FG to give Cleveland a 34-24 lead with 6:50 left in the fourth quarter. Kelly began a string of 23 consecutive pass plays and closed the gap to 4 when he hit RB Thurman Thomas for a 3-yard TD. Buffalo opened the scoring when WR Andre Reed split the secondary for a 72-yard TD pass in the first quarter. A 45-yard Bahr FG coupled with a 52-yard WR Webster Slaughter bomb gave Cleveland the lead at 10-7. The Bills returned the favor when WR James Lofton hauled in a Kelly pass for a 33-yard TD. TE Ron Middleton gave Cleveland the halftime lead on a 3-yard pass from QB Bernie Kosar. Slaughter scored again on a 44-yard toss from Kosar to extend the Browns' lead to 24-14 early on the the third quarter. Thomas continued the seesaw battle with the first of his two TD receptions from Kelly on a 6-yard strike. But the Browns struck back quickly when KR Eric Metcalf took the ensuing kickoff 90 yards for the score. AFC DIVISIONAL PLAYOFF
January 12, 1991
Rich Stadium - (77,087)

Buffalo and Miami combined for a regulation-time NFL playoff record 78 points in a game dictated by inclement weather. QB Jim Kelly ran the no-huddle offense to a 13-3 first quarter lead in his first appearance since sufferring a knee injury against the Giants on 12/15/90. Kelly hit WR Andre Reed on a 40-yard strike before Miami answered with a 49-yard Pete Stoyanovich FG. The next two Buffalo drives were capped off with FGs of 24 and 22 yards by K Scott Norwood. Buffalo and Miami then traded TDs in the second quarter snowfall when the Bills started the see-saw with a 5-yard TD scamper by RB Thurman Thomas. On Miami's next possession, QB Dan Marino connected on a 64-yard TD aerial to WR Mark Duper. But Kelly answered with a 13-yard TD pass to WR James Lofton. Miami then got a break when P Reggie Roby recovered a fumble at the Bills 47 and 7 plays later, Marino bootlegged in from 2 yards. In a 3rd quarter kickers' dual, Stoyanovich split the uprights from 22 yards out before Norwood drew claim to his 3rd FG of the day with a 28-yard shot. Miami drew to within a FG, 30-27, when Marino hit guard eligible Roy Foster with a 2-yard TD pass. But the Bills added 14 points to their 4th quarter lead when Thomas put the finishing touch on a 63-yard drive by strolling in from the 5. Buffalo wasted no time getting the ball back when LB Hal Garner forced a fumble on the ensuing KO return. Just 2 plays later, Reed grabbed a 23-yard Kelly pass for the Bills final tally. The Dolphins made the final score 44-34 with an 8-yard Marino-to-WR Tony Martin TD pass.

AFC CHAMPIONSHIP GAME

January 20, 1991
Rich Stadium - (80,324)

The Bills won their first AFC Championship with one of the most dominating performances ever displayed in a title game. Buffalo set the tone for the day by driving 75 yards after the opening KO and scored the initial TD when QB Jim Kelly picked up a bad shotgun snap and scrambled to find WR James Lofton for a 13-yard pass. After Raiders K Jeff Jaeger cut the lead to 7-3, the Buffalo onslaught began. RB Thurman Thomas ran for a 12-yard TD before LB Darryl Talley returned an INT 27 yards to extend the early lead to 21-3. The Bills' no-huddle offense showcased its power by scoring 20 more points in the 2nd quarter on 2 TD runs by RB Kenneth Davis and an 8-yard TD pass from Kelly to Lofton. Buffalo posted an impressive 41-3 halftime advantage, establishing an NFL postseason record for most points in a first half. Davis added his 3rd TD in the 4th quarter, tying an NFL playoff record for the most TDs in a game, while K Scott Norwood hit a 39-yard FG to provide the final margin. Thomas rushed for a Bills playoff record 138 yards as Buffalo gained a total of 502 yards compared to L.A.'s 320.

SUPER BOWL XXV
January 27, 1991
Tampa Stadium - (73,813)

The Bills and Giants made the Silver Anniversary Super Bowl a historic one as the Giants narrowly edged the Bills, 20-19, in a battle later dubbed, "A Game for the Ages." Buffalo loyalists watched their hopes of a world championship sail wide right as K Scott Norwood's 47-yard FG attempt just missed its mark with only 4 seconds remaining. The Giants opened the evening's scoring on a 28-yard FG by K Matt Bahr before Buffalo answered with a 23-yarder by Norwood. The AFC Champions took their first lead of the game, 10-3, when RB Don Smith smashed in from the one. DE Bruce Smith then extended the lead by recording a rare Super Bowl safety when he sacked Giants' QB Jeff Hostetler in the end zone. After holding the Buffalo offense 2 consecutive series, the Giants regained momentum on an 87-yard drive that ended with a 14-yard TD strike from Hostetler to WR Stephen Baker just before the half ended. After receiving the 2nd half KO, the NFC Champions utilized their ball control offense and kept the Bills defense on the field for over 9 minutes on their way to a 76-yard scoring drive that culminated with RB Ottis Anderson bullying his way into the end zone from the one. New York took a 17-12 lead, but the NFL's number one scoring machine struck back quickly behind the running of Thurman Thomas, who broke a number of tackles en route to a 31-yard TD scamper. On the next possession, Giants' K Matt Bahr split the uprights from 21 yards out with, what proved to be, the final score of the game. After the Bills defense forced the Giants to punt one last time, QB Jim Kelly and the offense started the final drive on their own 10-yard line with 2:16 left on the clock. Eight plays, 61 yards and 2:08 later, the Bills FG unit became the focus of attention for football fans around the world.

AFC CHAMPIONSHIP GAME
January 12, 1992
Rich Stadium - (80,272)

Led by a stingy defense, Buffalo returned to its second consecutive Super Bowl with a hard fought 10-7 win over the Denver Broncos. With the Buffalo offense in a dog-fight of their own, the Buffalo defense took the game into their own hands and registered the only Buffalo TD of the game. On 2nd down, deep in Denver territory, QB John Elway backed up to attempt a screen pass, reading the play, NT Jeff Wright ceased his charge and deflected the pass into the air. LB Carlton Bailey alertly grabbed the ball and returned it 11 yards for the game's first score. Buffalo moved out to a 10-0 lead after K Scott Norwood hit a 44-yard field goal mid-way through the fourth quarter. Denver then took control of the ball and marched 85 yards in 8 plays for a score, a 3-yard QB draw by Gary Kubiak. The Denver back-up quarterback took over after Elway left the game in the third quarter with a thigh bruise. The Broncos then recovered the ensuing onside kick, but on the next play from scrimmage, CB Kirby Jackson stripped RB Steve Sewell of the ball and scooped it up to halt the Denver comeback. On the day, Denver K David Treadwell missed three FGs, a 47-yarder wide left and two attempts, 42 and 37, both which hit the right upright.

Buffalo's hopes for a world championship were dashed for the second consecutive season with a 37-24 loss to the Washington Redskins. The red-hot Redskins dominated the Bills throughout the contest and built a 17-0 halftime lead. Washington then extended its lead to 24-0 on only the second play of the third quarter with a 2-yard run by Gerald Riggs. The score was set up by LB Kurt Gouveia's INT and return to the Buffalo 2-yard line. The Bills then mounted a comeback with a 21-yard field goal by K Scott Norwood and a 1-yard TD run by RB Thurman Thomas, but Washington put all of Buffalo's momentum aside by capturing the next three scores. Buffalo added two late TDs to set the final score at 37-24.

AFC WILD CARD GAME
January 3, 1993
Rich Stadium - (75,141)

Buffalo scored four TDs in under seven minutes in the third quarter, and rallied from a 35-3 deficit to down the Oilers 41-38, marking the greatest comeback in NFL history. Houston jumped out to a 28-3 halftime lead on four QB Warren Moon TD passes. Moon, who played a virtual flawless half, completed 19 of 22 passes for 218 yards and 0 INTs. Buffalo's lone points of the half came on a first quarter K Steve Christie 36-yard FG. Houston made it 35-3 on the Bills' opening drive of the second half when SS Bubba McDowell intercepted a QB Frank Reich pass and raced 58 yards for the score. The Bills' amazing comeback began when RB Kenneth Davis scored from one yard out, and Christie recovered the ensuing onside kick at the Buffalo 48. Four plays later, Reich found WR Don Beebe on a 38-yard TD pass. The Bills' scoring flurry continued on their next possession when Reich hit WR Andre Reed with a 26-yard TD pass to pull Buffalo within 11, 35-24. On the first play of Houston's next possession, S Henry Jones picked off a Moon pass and returned it 15 yards to the Houston 23. On a 4th and 5 play from the 18 yard line, Reich found Reed once again in the endzone to make the score 35-31, Houston. The Bills took their first lead when Reich connected with Reed for the third time, this time from 17 yards out, to put Buffalo on top 38-35 with 3:08 left in regulation play. After a 12-play, 63-yard drive, Del Greco hit a 26-yard FG to send the contest into OT. After winning the toss, Houston gave the ball back to the Bills when DB Nate Odomes picked off a Moon pass. Three plays later, Christie kicked the 32-yard game winner to give Buffalo the dramatic 41-38 victory, sending the team to the second round of the AFC Playoffs.

COWBOYS 52, BILLS 17

SUPER BOWL XXVII
January 31, 1993
Rose Bowl - (98,374)

Buffalo led 7-0, on a 2-yard TD run by RB Thurman Thomas five minutes into the game, until the first two of their record nine turnovers helped the Cowboys take the lead for good late in the opening quarter. First, Dallas safety James Washington intercepted a Jim Kelly pass and returned it 13 yards to the Bills' 47, setting up QB Troy Aikman's 2-yard TD pass to TE Jay Novacek with 1:36 remaining in the period. On the next play from scrimmage, Kelly was sacked by Charles Haley and fumbled at the Bills' two-yard line where the Cowboy's Jimmie Jones picked up the loose ball and ran two yards for a TD. Dallas, which recovered five fumbles and intercepted four passes, struck just as quickly late in the first half, when Aikman tossed 19- and 18-yard TD passes to Michael Irvin 15 seconds apart to give the Cowboys a 28-10 lead at intermission. Buffalo scored for the last time when backup quarterback Frank Reich, playing because Kelly was injured while attempting to pass midway through the second quarter, threw a 40-yard TD pass to Don Beebe on the final play of the third period to trim the deficit to 31-17. But Dallas put the game out of reach by scoring three times in a span of 2:33 of the fourth quarter. In one of the most memorable plays in Super Bowl lore, Cowboys DL Leon Lett returned a Reich fumble 64 yards to the Buffalo one-foot line before Beebe, who raced the length of the field, knocked the ball from his hand.

AFC DIVISIONAL PLAYOFF
January 15, 1994
Rich Stadium - (61,923)

The Bills trailed, 17-6, late in the first half and, 23-22, late in the third quarter before QB Jim Kelly capped perhaps the most brilliant performance of his career with a 22-yard TD pass to WR Bill Brooks, his second of the game for the winning points 2:55 into the fourth quarter. The Bills overcame the losses of their leading receiver and best run-blocker, TE Pete Metzelaars, who left the game late in the third quarter with a dislocated finger, and RB Thurman Thomas, who left early in the fourth with a mild concussion. After a scorless first quarter, the Raiders struck first with a K Jeff Jaeger 30-yard FG. Each team traded a pair of rushing TDs as Bills RB Kenneth Davis plunged in from 1 yard out and Thomas scored on an 8-yard run. Raiders RB Napoleon McCallum added two 1-yard TD runs in between Buffalo's two scores to give them a 17-13 lead at the intermission.Buffalo's defense was as effective as its offense in the final two quarters, as the Bills took control of the game in the second half by outscoring the Raiders, 16-6, and picking up 18 first downs to L.A.'s one, which came on a touchdown.

AFC CHAMPIONSHIP GAME
January 23, 1994
Rich Stadium - (76,642)

The Buffalo Bills made history by becoming the only team ever to reach four consecutive Super Bowls with a solid, 30-13, victory over the Chiefs in the AFC Championship game. RB Thurman Thomas set a franchise record with 189 rushing yards on 33 carries and a club-record three TDs. After the teams each traded punts twice, the Bills finally got on the board midway through the first quarter with Thomas' 12-yard TD up the middle. Chiefs QB Joe Montana then led the Chiefs on a 10-play, 51-yard drive all the way to the Buffalo 13. The Chiefs, however, had to settle for a 31-yard FG. The Chiefs added a second 31-yard FG less than two minutes later after Bills KR Russell Copeland fumbled the ensuing kickoff. Thomas' second TD and two K Steve Christie FGs helped stake the Bills to a 20-6 halftime lead. RB Marcus Allen brought the Chiefs to within a touchdown late in the third quarter with a 1-yard TD run, however, Christie and Thomas combined for another 10 points to close the scoring at 30-13 and send the Bills to Atlanta.

SUPER BOWL XXVIII
January 30, 1994
Georgia Dome - (72,817)

KR Kevin Williams returned the opening kickoff 50 yards, however, Dallas had to settle with a 41-yard K Eddie Murray FG. Buffalo kicker Steve Christie tied the game less than three minutes later with a Super Bowl record 54-yard FG. On the Bills' first play of their next possession, RB Thurman Thomas fumbled a shovel pass from QB Jim Kelly at midfield. Once again, however, the Cowboys had to settle for a FG. The Bills then responded with a 17-play, 80-yard drive that ended with a 4-yard TD run by Thomas to go ahead, 10-6. The drive had come to a halt when the Bills had a fourth-and-three, however, Dallas was penalized five yards for running into P Chris Mohr. CB Nate Odomes intercepted a QB Troy Aikman pass with a little over a minute remaining in the first half, and the Bills took advantage by converting on another Christie FG as time expired, giving Buffalo a 13-6 halftime lead.Less than a minute into the third quarter, momentum swung in the Cowboy's direction when Thomas fumbled and reserve safety James Washington returned the ball 46 yards for a TD, tying the game at 13. Buffalo's offense was shut down for the remainder of the contest, while game MVP RB Emmitt Smith ran for two TDs, a 15-yarder in the third quarter and a 1-yard plunge in the fourth, to put the game away. Murray added a late FG to close out the scoring, 30-13, and earn the Cowboys their second-straight Super Bowl victory over Buffalo.

AFC WILD CARD GAME
December 30, 1995
Rich Stadium - (73,103)

The Bills improved to 9-0 at Rich Stadium in the postseason with their impressive 37-22 victory over their AFC East foe the Miami Dolphins in the first round of the AFC playoffs.The Bills jumped out to an early 7-0 lead on a seven play, 58-yard drive that resulted in a one-yard TD run by RB Thurman Thomas, who ran his consecutive postseason games with a TD streak to six games. Buffalo would never look back as they forced Miami into three downs and out before K Steve Christie added his first of three FGs to make the score 10-0. The Bills defense stepped up at the start of the second quarter when Miami attempted a fourth-and-seven play from the Buffalo 32-yard line and were stopped. The Bills took over on downs and needed only four plays to march down the field for the score on RB Darick Holmes' 21-yard run into the end zone. The score was set up by a vintage 32-yard burst by RB Thurman Thomas to the Dolphins 21-yard line. Thomas, who had his sixth career 100-yard rushing postseason game, would finish the day with 158 yards on 25 carries and the Bills' 341 rushing yards would be the second highest total in NFL postseason history. Buffalo crossed the goal line again on their next possession when QB Jim Kelly's perfect 37-yard touch pass fell into the arms of WR Steve Tasker in the end zone to make the score 24-0 at halftime. Tasker would finish the first half with 108 yards receiving, the first 100-yard receiving game of his career. The scoring drive was set up by LB Marlo Perry's first career interception at the Bills' 38. Buffalo added three more points to their lead late in the third quarter when Christie added a 23-yard FG to push the lead to 27-0. Miami finally got on the board on their first possession of the fourth quarter when QB Dan Marino hit WR OJ McDuffie on a five-yard TD pass. The Bills punched in their final TD of the afternoon on RB Tim Tindale's career-long 44-yard burst off the left side for the score. The Dolphins rebounded with another score before Christie added a 44-yard FG, the team's final points of the day. The Dolphins added one final TD late in the game to provide for the final margin of victory, 37-22.

AFC DIVISIONAL PLAYOFF
January 6, 1996
Three Rivers Stadium - (59,072)

The Bills' Super Bowl dream came to a close on the frozen surface of Three Rivers Stadium with a 40-21 loss to the Pittsburgh Steelers in the second round of the AFC playoffs.The Bills, playing without DE Bruce Smith who remained in Buffalo with the flu, quickly found themselves trailing 20-0 with under five minutes to play in the first half. Instead of packing it in, the Bills persevered and kept the game close by adding a one-yard RB Thurman Thomas TD plunge with under a minute remaining in the first half to close the gap to 20-7. For Thomas it was his seventh consecutive postseason game with a TD, second highest streak in NFL history. The Steelers quickly regrouped to add a FG which made the score 23-7 at halftime. Pittsburgh added another three-pointer at the start of the third quarter before the Bills offense would get jump-started by a 40-yard run on a reverse by WR Steve Tasker. Two plays later backup QB Alex Van Pelt, in for a shaken QB Jim Kelly, hit TE Tony Cline on a two-yard TD pass to close the gap to 26-14. It was Cline's first-career touchdown. On their first possession of the final stanza the Bills drove 36 yards in six plays which was capped off by a nine yard pass from Kelly, who returned in the middle of the drive, to Thomas to make the score 26-21. For Thomas, it was his 18th postseason TD, making him the NFL's career postseason TD leader at the time. Pittsburgh took their ensuing possession and held onto the ball for 5:07 in driving 76 yards for the game-clinching TD to make the score 33-21. The Steelers added one more score with under two minutes to play to provide the final margin, 40-21.

AFC WILD CARD GAME
December 28, 1996
Rich Stadium - (70,213)

Buffalo dropped its first playoff game ever at Rich Stadium with a 30-27 defeat to the Jacksonville Jaguars. The Bills got off to a quick start when Jim Jeffcoat nearly sacked Mark Brunell for a safety, resulting in an intentional grounding penalty and subsequent punt from the back of the endzone. With Thurman Thomas getting the call on five consecutive plays, the Bills capped a six-play, 43-yard drive with Jim Kelly's seven-yard pass to a wide-open Thomas in the right flat. The TD was Thomas' 19th in the playoffs, establishing a new NFL postseason record. Midway through the first quarter Jacksonville's Clyde Simmons intercepted a Kelly shovel pass and raced 20 yards to even the score at 7-7. The Bills reclaimed the lead on their next possession when they marched 68 yards in 10 plays, the score coming when Thomas went over the right side from two yards out. Thomas' second score of the game made him the NFL's leading scorer in postseason history with 120 points (a record Emmitt Smith tied later in the afternoon), eclipsing the old mark of 115 points held by George Blanda. Jacksonville closed the first quarter's scoring at 14-10 when Mike Hollis connected from 27 yards out. Neither team scored again until Natrone Means rumbled 30 yards for his lone score of the game with under 4:00 to play in the half. Buffalo answered once again to tie the score at 17 when Steve Christie kicked a 33-yarder at the two minute mark. Christie opened the third quarter scoring on the Bills' initial drive with his second FG of the day, this one from 47 yards out. After the Jaguars knotted the score at 20 apiece on Hollis' 24-yard FG, Jeff Burris intercepted a pass that was tipped by David White and went 38 yards for Buffalo's final points of the game. Jacksonville evened the game on a Brunell-to-Jimmy Smith two-yard scoring pass and regained possession when they recovered a fumble at their own 42 yard line. Hollis' 45-yard FG bounced off the right upright before going through, giving Jacksonville a 30-27 lead with just over 3:00 remaining. Todd Collins replaced a shaken up Jim Kelly, but was unable to muster a comeback for the Bills.

AFL WILD CARD GAME
January 2, 1999
Pro Player Stadium - (72,698)

The Dolphins earned the right to host the first-round playoff game thanks to a 6-point edge in net points in divisional games, the NFL's 5th tie-breaker. As it turned out, the game itself was just as tight and was not decided until the Bills turned it over after advancing to the Miami 5-yard line with 9 seconds to play. The contest not only ended in thrilling fashion but also began that way. On the game's first play, Doug Flutie hooked up with Eric Moulds on a 65-yard pass but Moulds fumbled at the end of the play, giving it to the Dolphins at their 29. From there, Miami advanced to Buffalo's 14 before Olindo Mare's 31-yard FG gave the Dolphins the early lead. They extended it to 6-0 on their next series with another Mare FG. The Bills came back quickly as a 37-yard Flutie-to-Moulds pass set-up a 1-yard Thurman Thomas TD run to put Buffalo up 7-6. Just before halftime, Buffalo reached the Miami 6 but a Flutie INT halted that drive. Midway through the 3rd, Miami went back on top on a 3-yard Karim Abdul-Jabbar TD run and successful 2-point try. The Bills answered on their next drive and tied the score at 14 on a 32-yard scoring pass from Flutie to Moulds. After leading the AFC in receiving yards during the regular season, Moulds further established himself as one of the NFL's premier receivers and would finish the afternoon with an NFL playoff record 240 yards on 9 catches. Miami's next two drives resulted in scores – a 23-yard Mare FG and an 11-yard TD pass from Dan Marino to Lamar Thomas – and the Bills found themselves trailing by 10 with just 3:42 remaining. Buffalo advanced to the Miami 10 by the 2:00 warning when Andre Reed seemingly scored on a pass from Flutie. Officials however ruled Reed down at the 1 and then ejected him for protesting the call. Thanks to the penalty, the Bills were forced to settle for a 33-yard Steve Christie FG and hope for an onside kick recovery. Hope was alive when Kurt Schulz recovered the kick, giving the Bills the ball back at their own 31 with 1:30 left. They moved to the Miami 5 with :17 left but the drive ended when Trace Armstrong sacked Flutie, forcing the Bills 4th lost fumble of the day and Miami recovered at the 3.

TITANS 22, BILLS 16

AFC WILD CARD GAME
January 8, 2000
Adelphia Coliseum - (66,782)

The 11-5 Bills traveled to Nashville for an AFC Wild Card match-up with the 13-3 Titans that fittingly had all the elements of a country western ballad – adversity, exhilaration, frustrating run-ins with lawmen, and in the end, heartbreak. Steve Christie's 41-yard FG with :16 left appeared to give Buffalo the upset victory but on the ensuing kickoff, Frank Wycheck fired a suspicious looking cross-field lateral to Kevin Dyson that he returned 75 yards for the game-winning TD. The legality of the TD was confirmed following a video replay review by referee Phil Luckett. The improbable and bizarre ending ensured the game's place as one of the most memorable in NFL history.

After a scoreless first quarter, the Titans got on the board first when DE Jevon Kearse forced a Rob Johnson fumble out of the back of the end zone, resulting in a safety. Following the free kick, the Titans capped a 5-play, 28-yard drive with a 1-yard Steve McNair TD run. Momentum appeared to shift Buffalo's way later in the quarter when Phil Hansen forced an Eddie George fumble and Kurt Schulz recovered at the Buffalo 42. Three plays later on 3rd-and-10, Johnson connected with Peerless Price on a 27-yard completion to the Titans 31 with 1:53 to play but field judge Al Jury ruled that Price bobbled the ball though TV replays indicated otherwise. Following the Buffalo punt, Tennessee faced a 3rd-and-10 when a McNair run was stopped a yard short of the first down. The Titans were lined up to punt it back to the Bills with :38 left when the replay booth intervened. After a delay of 5:20, Luckett changed the spot of the ball to give the Titans a first down. They then advanced to the Buffalo 27 before Al DelGreco missed a 45-yard FG as the half expired. However, officials called a rare defensive holding penalty on the Bills and the ensuing 40-yarder on the half's final play gave Tennessee a 12-0 lead at intermission.

Buffalo opened the 2nd half with a 44-yard Antowain Smith run on the first play from scrimmage and three plays later, Smith scored on a 4-yard run to pull the Bills to within 12-7. That score remained until early in the 4th when Smith capped a 9-play, 65-yard drive with a 1-yard TD run and the Bills led 13-12 after an unsuccessful 2-point try. Tennessee then re-claimed the lead with 1:48 to play on DelGreco's 26-yard FG. Down 15-13, the Bills took over at their own 39 with 1:41 to play, no timeouts., and playing with a patch-work offensive line due to injuries. Johnson then led the team on a game-winning march to the Tennessee 23, thanks to a 14-yard pass to Price, a 12-yard run by Jonathan Linton and a 9-yard pass to Price. On the play before the final completion to Price, Johnson lost his shoe and was unable to replace it because the clock was ticking down but still executed the crucial play shoeless. Had Christie's field goal held up as the game-winner, the Johnson-led drive would go down as one of the most impressive in Bills lore. It was soon overshadowed, however, by the Titan return.

BILLS GREATEST COMEBACKS

REGULAR SEASON COMEBACKS FROM DEFICITS GREATER THAN 20

September 21, 1997, Rich Stadium
BUFFALO 37, Indianapolis 35
The Bills mounted the second-largest comeback in NFL regular season history when they overturned a 26-0 deficit. Rookie RB Antowain Smith capped off Buffalo's scoring frenzy when he crashed through the line and scampered 54 yards. He had scored the go-ahead TD (30-29) on a one-yard plunge on the previous series.

October 25, 1987, Joe Robbie Stadium
BUFFALO 34, Miami 31
The Bills fell behind 21-0 but battled back in the second half to set the stage for kicker Scott Norwood's 27-yard field goal in overtime

THE HOUSTON COMEBACK IN THE PLAYOFFS (also p. 211)

January 3, 1993, Rich Stadium
BUFFALO 41, Houston 38 (OT)
QB Frank Reich started for an injured Jim Kelly and brought Buffalo back from a 32-point 3rd quarter deficit in the AFC Wild Card Playoff to record the greatest comeback in NFL history. Four of the Bills' 5 TDs came on Reich passes (3 to WR Andre Reed) and K Stevie Christie kicked the 32-yard winning FG in OT.

Canton Says Hello to Levy...

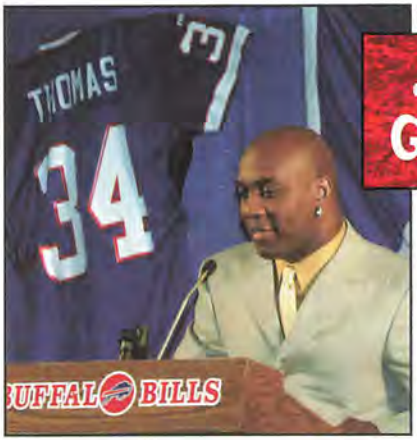

On January 27, 2001, former Bills head coach Marv Levy was selected as one of seven members of the 2001 Pro Football Hall of Fame class

Levy, the winningest coach in Bills history, joined Nick Buoniconti, Mike Munchak, Jackie Slater, Lynn Swann, Ron Yary, and Jack Youngblood as the seven newest members of the Hall. The seven men were selected from a group of 15 finalists that also included Bills owner Ralph Wilson.

Levy became the third member of the Bills organization selected to the Hall of Fame, joining Billy Shaw (1999) and O.J. Simpson (1985). He was also the 11th coach enshrined in Canton. The others are Paul Brown, Weeb Ewbank, Joe Gibbs, Sid Gillman, Bud Grant, Tom Landry, Vince Lombardi, Chuck Noll, Don Shula, and Bill Walsh.

Levy was named head coach of the Bills on November 3, 1986 and remained until his retirement on December 31, 1997. He is the only coach in NFL history to lead his team to four consecutive Super Bowl appearances and his 154 career victories place him 10th all-time in NFL history. His 123 victories with the Bills are a team record. With Buffalo, he led the Bills to eight postseason appearances in 11 full seasons and also guided the Bills to five conference championship games, winning four.

...Thurman Says Goodbye as a Bill

On February 27, 2001, Thurman Thomas signed a one-day contract with the Bills so that he could retire with the team for which he played 12 seasons and helped lead to four straight Super Bowls.

Thomas is the all-time leading rusher in Bills history with 2,849 attempts for 11,938 yards and 65 TDs. He is second in team history with 456 receptions and fourth with 4,381 receiving yards. One of the most potent offensive weapons ever to play in the NFL, Thurman finished his career ranked ninth on the NFL's all-time rushing yardage list and sixth all-time in combined yards from scrimmage.

In the postseason, Thomas started 20 of the 21 games in which he appeared and holds the NFL record for consecutive games with a rushing TD with nine. He is tied with Emmitt Smith for second in NFL postseason history with 126 points (behind Gary Anderson) and is tied with Smith for first with 21 total TDs in playoff action.

Thurman was the 40th player selected in the 1988 Draft when the Bills chose him in the second round out of Oklahoma State. In 12 seasons with the Bills, Thomas earned five Pro Bowl selections and was named the NFL's Most Valuable Player in 1991.

Bills Finish Among NFL's Ratings Elite

According to information gathered by Nielsen Media Research, nothing brings the Western New York community together on a regular basis like Bills football. And during the 2000 season, the Bills local television ratings were among the highest in the National Football League.

For the season, the Bills finished with an average in-market rating of 34.7 and a share of 60. Just three NFL teams fared better in the local Nielsen ratings than the Bills:

All 15 Bills games televised in the Buffalo market finished as the most-watched television program during that particular week. Buffalo is one of just 13 NFL markets in which the team's games ranked first locally each week it has played. The others are Denver, Indianapolis, Jacksonville, Kansas City, Miami, Milwaukee, Minneapolis, Nashville, New Orleans, Pittsburgh, Tampa, and Washington. On the one Sunday that the Bills had off because of the bye week, the NFL still finished #1 when another league game (Jets-Buccaneers) finished first.

Across the league, NFL games were the top-rated show of the week in each market 66% of the time.

	Team	Rating	Share
1.	Green Bay	38.3	64
2.	Minnesota	36.0	66
3.	Denver	35.6	62
4.	BILLS	34.7	60
5.	New Orleans	33.9	56

BUFFALO BILLS FIELDHOUSE

The Buffalo Bills Fieldhouse redefines the state of the art for indoor practice facilities. This is the only facility in the NFL that can accommodate full indoor special teams practice. Construction of the facility began in March of 1995 and was completed in September of the same year. The 95,000 square-foot construction is 12 stories high and is large enough to duplicate the stadium field, including a 9-inch pitch. The building features a 20-foot wide rubberized track runs around the field and is 1/5 of a mile in distance. It also houses a Bills' Photo Gallerythat is composed of four-foot by six-foot photos of former players who were selected for the Bills Silver Anniversary Team, Pro Bowl, or the Ralph C. Wilson, Jr. Distinguished Service Award.

The latest renovation to the Fieldhouse is the addition of a 2,000-square foot retail store at the front of the building. The store, which will feature all Bills merchandise, will be open year-round and will be ready for the fall on 2001.

The Buffalo Bills Experience

On game days, the Buffalo Bills Fieldhouse is transformed into the largest indoor tailgate party in the league: the Buffalo Bills Experience. Featuring a fan interactive area patterned after the NFL Experience, the Buffalo Bills Experience enables fans to get closer to the game of football as well as their favorite team. The Experience opens four hours before kickoff and shuts down at game time. The admission fee is $5.00.

Among the features of the Buffalo Bills Experience are the following:

Bills Blue Coat Program

BLUE COATS

The Bills Blue Coat Program is a community outreach initiative launched by the Bills in 2000. Members of the Blue Coat Program are dedicated individuals and season ticket holders who volunteer their time and energy to strengthen the team's presence and support throughout the region.

These individuals must meet certain "point" requirements necessary to earn and maintain their association as a "Blue Coat." These points are earned through assisting with season ticket holder outreach and retention programs, providing ticket sales leads, and participating in numerous community events as an ambassador of the team. After minimum point totals are met, additional points can be applied toward great incentives and intangibles available only to Blue Coat Members.

Anyone interested in participating in the Blue Coat Program should contact the team's Guest Services Department at 716-648-1800.

HISTORY OF THE HOME FIELD

When the Buffalo Bills began play in 1960, their home venue was War Memorial Stadium. Built in 1936, the "Rockpile" was a 36,500-seat facility located in Buffalo at Jefferson and Best streets. In 1965, the open air, natural grass facility, expanded by adding an upper deck to increase capacity to 46,206.

Years of extreme weather and the popularity of the Bills led to the creation of a larger facility. A 113-acre tract of land approximately 30 minutes from downtown Buffalo was selected and groundbreaking ceremonies were conducted in Orchard Park on April 4, 1972 for the new football complex. To form the lower level of the stadium, more than 370,000 feet of shale were removed - putting the field 50 feet below ground level. Construction was completed in slightly over 14 months and on August 17, 1973, the stadium was officially opened as the Bills played host to the Washington Redskins.

Since the stadium's original construction, the facility has seen many changes. In 1984, the stadium's capacity was increased to 80,290 with the addition of 16 executive suites on the top floor of the administration building. Eight years later, 24 more suites were constructed in the west end zone and shared restrooms were added to the original suites. The Red Zone and Goal Line indoor clubs were added in 1994, offering fans a comfortable atmosphere as each of the two blocks of 500 seats are enclosed in glass. Also in 1994, 14 new suites were added, bringing the grand total to 88 luxury boxes. The 1994 expansion project also brought the team the largest JumboTron in the United States. This mammoth videoboard measures 31.5 feet high by 41.5 feet wide. Some of the capabilities of the videoboard include full-color instant replays, live action shots, crowd shots, out-of-town highlights, animations and various in-stadium shots from cameras exclusive to videoboard usage. In addition, a black and white Daktronics Scoreboard matrix system designed to complement the Sony JumboTron was installed.

The most dramatic changes to the stadium took place prior to the 1999 season with the completion of a $63 million renovation project. The project gave the Bills and their fans one of the finest stadiums in professional sports.

Last season, this reading program grew as 3,000 area students read over 9,000 books throughout July of 2000. In the summer, area libraries receive flyers postcards, bookmarks, and entry forms for "Hit the Books." Children register for the contest and receive one bookmark for every book they complete. At the end of the month, library representatives tally the numbers, and one lucky winner receives a ticket to a Bills home game and the chance to make the "game ball delivery" on the field. Over 140 libraries in seven counties are involved with this program.

Paintfest Arts Program

Sponsored by Target

TARGET

The Bills and Target have partnered in the Paintfest Arts Program since 1999. In an effort to brighten the rooms at Roswell Park Cancer Institute and Children's Hospital locations, players and patients gather throughout the season to paint tiles and murals for hospital ceilings and walls. The Bills hold Paintfest events with current and former patients at the stadium and also make area school visits. The tiles decorate Roswell Park Cancer Institute, Children's Hospital of Buffalo and Strong Children's Hospital in Rochester.

Rush For Reading Challenge

Sponsored by Blue Cross & Blue Shield of WNY and the just buffalo literacy center

In this highly successful program, students read as many books as they can during the month of October in an attempt to win trading card bookmarks, and a pizza party with players at Ralph Wilson Stadium. The top three individual readers receive tickets to the Bills final home game of the regular season.

Building With the Bills: Habitat for Humanity

Sponsored by Choice One Communications and 84 Lumber

Choice One Communications

In 2000, the Bills, Choice One, and 84 Lumber joined with the Buffalo chapter of Habitat for Humanity to build a home with a family in downtown Buffalo. Several Bills players donated time and muscle in the project. In 2001, the Bills will construct another home in Buffalo.

United Way Hometown Huddles

All NFL teams head out into the community on the same day every fall as part of the Hometown Huddle program. On this day of national community service, players participate in volunteer projects with local United Way agencies. In 2000, the Bills helped seniors and teenagers assemble over 300 gift baskets for the homebound elderly. The basket featured a greeting card from Bills players and United Way volunteers later delivered them during the holiday season.
